

WE NOMINATE

Walter Dray Wagoner, for the past 12 years Executive Director of the Princeton-based Fund for Theological Education, a major force in strengthening the Christian ministry in the United States and Canada. This month the 48-year old Wagoner, a tireless and long-visioned worker in the ecumenical movement, is relinquishing his responsibilities here to become the first Academic Dean of the Graduate Theological Union in Berkeley, Calif., probably the most exciting development of the mid-20th Century in the field of theological education and an experiment which will be followed with searching interest by the entire Christian Church.

The three-year old West Coast Union, an historic "first" for the Christian Church and stemming in part from the premise held by many that "few seminaries can go it alone in this age," is a legal entity bringing together six Protestant and three Roman Catholic seminaries in the Berkeley-San Francisco area. Its purposes, as outlined by Wagoner, are to award theological degrees in common, to beef up the doctoral process, and to move ahead as fast as possible in academic cooperation on the Bachelor of Divinity level. By "maximizing the common opportunities," the Union is looking toward a single system of theological education.

By training, experience and temperament Wagoner is admirably gaited for this challenging assignment. In his years with the independent Fund for Theological Education, originally financed by The Rockefeller Brothers Fund and Sealantic Fund, Inc., he has been instrumental in recruiting 100's of collegians for the ministry through the Trial Year Seminary Fellowship Program, the Protestant Fellowship Program and other Ministerial Recruitment Programs. He and his associates have also espoused such trail-blazing ventures as the equivalent of sabbatical leaves for parish ministers, post-seminary fellowships in non-theological fields

for newly ordained ministers and supplemental financial aid for hard-pressed seminary students.

Author of last fall's warmly welcomed "The Seminary: Protestant and Catholic," and editor of the upcoming anthology of satirical writings about the modern church, "Bittersweet Grace," Wagoner has been deeply involved in ecumenical undertakings in Europe. Since 1963 he has been American Secretary of the Mansfield College Summer Session at Oxford University, in which he will participate next month before heading for Berkeley. He is also Secretary of the American Committee for The Ecumenical Center and House of Studies in Rome, a long-range proposal eventually making it possible for more Anglicans, Orthodox and Protestants to avail themselves of all of the resources which are found in Rome.

Wagoner, active in the founding of the Princeton Association for Human Rights, convener of the Princeton Christian Unity Committee and a participant in international Assemblies of the World Council of Churches, established his headquarters here in 1955 upon completing three years as University Chaplain at Northwestern University. A native of St. Louis, Mo., and an outstanding pole vaulter during his Yale undergraduate years, he received his Bachelor of Divinity at Yale in 1945 and was ordained in the United Church of Christ (Congregational). His background includes a year as a Marine Corps Chaplain, a year as Associate Chaplain at Yale and three years at Colby College.

For his positive contributions to programs which are of basic and long-range benefit to the Christian Church and are interdenominational in scope; for seeing that "theological education is central and crucial to the strength and relevance of the Christian Church"; for breaking away from the lockstep of academic traditions; he is our nominee as

DIVE IN!

Pool Opens. It couldn't have been a better week-end. Two perfect days, sandwiched between rain and chill, seemed to have been ordered just for the opening of Princeton's new and long-awaited Community Swimming Pool.

The red ribbon was cut Saturday noon by three symbolic scissors held by the mayor of the Township, the mayor of the Borough and the chairman of the Joint Recreation Board.

More than 40 guests in tweed jackets and sweaters (it wasn't exactly diving weather, in spite of clear skies) strolled the concrete aprons, squinting in the bright sunshine and reminiscing about past battles to get a community pool for Princeton.

Guests were people who had pushed for a pool for years. They were symbolized most vividly by Mrs. J.V.A. Fine, who observed on Saturday that she had first started working for a public pool 25 years ago in 1942.

Worth Waiting For. And there were those who remarked waggishly that the promise of "a pool before Memorial Day" had indeed been kept. Only it was to have been last year's Memorial Day.

But the wait was worth the wait, and past skirmishes receded beyond memory as Saturday afternoon and Sunday afternoon brought Princeton to the pools.

Donald Barr, recreation director, estimated 900 people on each of the two days for an 1,800 total. His staff passed around 1,000 free ice-cream cups, and if you thought they were only for the kids, you should have seen the grey

READY TO SWIM! Princeton's Community Swimming Pool opened at noon Saturday after a brief ribbon-cutting. (Left to right) Harry J. Volwieder, chairman of the Joint Recreation Board; Carl C. Schafer Jr., mayor of the Township, and Henry S. Patterson, mayor of the Borough. Prospective pool customers are poised in the background.

heads scooping in the free treat.

Over the two-day week-end, there was a spurt of membership applications: 112 families applied, bringing the "people" total to 2,350. There are about 400 family members, 98 husband-wife memberships and about 150 individual members.

"Actually, we welcomed the rainy Monday," Mr. Barr grinned philosophically, "it helped us get caught up on membership cards."

Sunny. Yes; Warm. No. The pool was heated during its first days to a 68 degree temperature. This can be brought up to 70, Mr. Barr says, if the sun helps out a little.

Mostly it was the kids who took courage in hand and dived right in, emerging later to shiver from the folds of a brightly striped towel.

Thick grass around all three pools invited sun-bathers all weekend. It seemed as though the town had emerged, blinking, from under a cold, wet, wintry log. Arms and legs and backs were winter-white. Not even the life guards had a tan.

Nine young boys lay in the sun after a swim, making spokes of a wheel with their white backs and legs as they waited for July's tan to get started. . . a man in a fringed straw hat sat in one of the redwood chairs reading, his bare legs stretched into the sun. . . a father, face covered, sprawled on the grass beside the square sandpile while his toddler scooped and dumped.

On Sunday, there were whole families with the Sunday paper tucked under one arm and towels under the other. The pool's music came out cheerfully all week end (not too loud.)

The wide concrete area between parking lot and pool gate was carpeted with bikes all Saturday afternoon and Sunday. (Will the pool provide bike racks?) in happy testimony to all the kids inside.

It's Big! Mostly the impression around the pool complex is one of space. You could have many times the number of people who were there this weekend and still not feel crowded.

The Olympic pool is immense. The 20-foot-deep diving pool is removed from it by a considerable distance, and by a very great distance from the shallow little wading pool.

In fact, the wading pool is almost in a small world of its own, close to the sandbox, close to a trio of springy steeds to ride (a duck, an elephant, a rooster), a garden gate to swing on (still shiny in bright red new paint), a little carousel to spin on, a five-foot-high slide to scoot down on.

The diving pool is for the pros — or those who think they are — with three diving boards, two at the same modest level and a third 'way up there. The shallow part of the diving pool is about nine feet deep.

Hungry? Between dives, paddles in the wading pool and laps in the big pool, there are snack possibilities. Inside the refreshment room are vending machines with soft drinks, cigarettes and candy bars.

Pool customers may bring their own lunch, but they may eat only on the upper concrete "deck," above the pool-sides. Redwood picnic and redwood chairs are first come, first-served.

The one lack is shade. Pool users are not allowed to bring their own umbrellas, partly because umbrella spikes would ruin the soft but mostly because the area is breezy and a sudden gust could uproot an umbrella send it sailing off to hurt someone.

Mr. Barr says the recreation board may investigate permanent awnings which would be safe in a breeze. At the moment, about the only shade comes from a distant tree at the far south of the area, and in the late afternoon by the wading pool, from the shadow cast by the wing of the women's locker room.

A final, looking-backward note, as dated now as a yellowed newspaper clipping: opposition to a community pool came, for many years, from Princeton residents who didn't like the idea of an inter-racial pool.

On Saturday and Sunday, Negro and white toddlers played in the sandbox, Negro and white boys shouted challenges to each other to see who could jump farthest from the diving boards, Negro and white girls sat on towels in the sun and watched the boys dive.

It was a happy week-end.

BI-PLANE MISPLACED
It Was Around Here Somewhere... It has red wings and a yellow fuselage with red stripes, and if you see it parked on Nassau Street, would you please notify Raymond R. Newhouse?

Captain Newhouse is hunting around in odd corners trying to find a bi-plane which used to be in the basement of Princeton High School under the boys' gym. It isn't there any more. How it ever got spirited out of the gym — or into it, for that matter — and where it is now, is a mystery indeed.

It's a real airplane, the kind you climb into, start the motor of, and fly off in: a three-place, open cockpit, Travelaire bi-plane, and it's around here someplace...

Back in the late '30's John Stewart of the high school's science faculty started an aviation club for some high-school boys. Captain Newhouse's

father, Richard Newhouse of the Newhouse Flying Service of Princeton, donated the plane to the club as a work project to take apart and put together again.

It was rather tricky, getting permission from high school authorities of that time for space to put the project; after all, a bi-plane... There is some suspicion that the plane may have been secretly eased into the basement space, although how this could be accomplished is anybody's guess; in fact, how would you maneuver a bi-plane into the high school even if the whole world knew about it?

Wild Blue Yonder? Well, the war came. In 1942, Mr. Stewart left for the service and the plane remained behind. Richard Wood and Joseph Pier-soa remember it, Captain Newhouse says, and Dan Pinelli, now of Yardley, Pa., tells the captain he remembers seeing it in the high school basement in late '41.

The rest is silence. The plane certainly isn't there now, and hasn't been for a very long time. Who took it out? How was it removed? Where, to come right down to it, is the plane now?

Captain Newhouse, (Princeton High School '36) is now based in Chicago with American Airlines, and the more he can't find his father's plane, the more he wants to.

Last year, he got a lead. Someone at the Pennington airport had seen a red-winged bird in storage in a barn. Where was the barn? Well... nobody knew. In fact, nobody can remember now who it was who saw it in the barn.

Captain Newhouse has interviewed B. Woodhull Davis, former superintendent of Borough schools and a habitue of the high school building; Florence Burke, of the high school's present administrative staff and formerly a high school student; and Jack Stewart, son of John Stewart.

It's got this yellow fuselage, and those two red wings...

NO ROSEDALE LIGHT?

Still Hope. "There is obviously no warrant for a traffic control signal," says Herbert J. Klar, chief of the bureau of engineering and planning in the State Motor Vehicle Division, after seeing the traffic count of the Rosedale-Cleveland intersection.

But Charles Kovacs, Mercer County Freeholder, and Edward L. Mount, County engineer, do not agree. Neither does William W. Augustine, who has been organizing citizens in support of a traffic light at the intersection.

Mr. Augustine now has more than 200 signatures on a petition, including the entire faculty of Johnson Park School on Rosedale Road, and he plans to send in the petition this week, wait for a week, and then talk personally with county and state officials.

He also plans to line up officials of Educational Testing Service and Western Electric, the two Rosedale traffic producers.

Count-down. Rosedale is a county road and so is Elm, up to the Cleveland intersection. Cleveland Lane is in the Borough.

The state says that an intersection must have 750 cars per hour for eight straight hours to warrant a traffic light. This means 6,000 cars.

The county made its tally

MEMORIAL DAY: Observance of Memorial Day on Tuesday took more than one form in Princeton. The Color Guard and Military Police battalion from Fort Dix were part of the traditional parade up Nassau Street. Along the line of march was a group of residents holding a "Memorial Day Vigil." The sign reads "We mourn those killed and maimed in all wars. We mourn the waste of soldiers' and civilians' lives in Vietnam." Memorial Day services were held at the small memorial park at the junction of Mercer and Nassau because construction work on the new Borough Hall precluded use of the Battle Monument site. (Staff Photo)

last September 26 and 27. It counted 3,850 cars the first day and 4,400 the second, which is far short of the required amount.

However, between 7 and 9 a.m. there were 2,500 on a single day, and between 4 and 6 p.m., 2,350. Both exceed the state's requirement for two hours by more than 1,000 cars each day.

Mr. Klar, in his letter of rejection to the county, said the state will look over the intersection "with a view toward making appropriate recommendations which will alleviate the potential hazards at this location."

Mr. Mount is afraid the state's recommendation may involve the purchase of land, which is very expensive in that part of town. "The county couldn't afford anything like that," he said. "We are forced to wait and see what the state's recommendations are but we will make every effort to get lights installed."

TO NOTIFY OWNERS

Of Housing Code Requirements. Acting on the suggestion of Mrs. Harold Kuhn, the Township Board of Health decided Thursday night to follow the example of the Board of Health and send to each property owner a reminder of landlord-tenant obligations under the Township housing code. The notices will be sent through the Township's tax office, as they are through the Borough's tax office, and Dr. William Kleinberg, chairman of the Township Board of Health, suggested that additional copies be made available for distribution to tenants.

Mrs. Marcella Farley, Township health officer, reported on her inspection of three rental dwellings, described to the board the progress made on houses she had reported last month, and announced an exterior spot-inspection of both sides of Birch Avenue.

She listed housing code violations by Mrs. Daisy Parker, owner of 43 Leigh Avenue, and Mrs. Parker's tenant, Mrs.

Dorothy Alexander. Mrs. Farley cited missing windows, cracked plaster, an apparently leaking roof, lack of sufficient electric outlets, leaks from a second floor bathroom, outside stairways and flooring deteriorating and in need of repair and the need for an impervious floor — to facilitate cleaning — in both kitchen and bathroom, as landlord violations.

Repairs to be Made. She also cited the tenant for a littered basement, dirty floors and kitchen and possible vermin on the premises. Mrs. Farley told the board that Mrs. Parker had assured her she would ob-

tain bids as soon as possible to start repair on the house.

Mrs. Farley reported her inspection of the apartment at Leigh and John owned by Mrs. Joseph Caplan. After inspection of the three apartments in the building, Mrs. Farley noted the need for an up-to-date gas hot water heater, repairs on the outside stairway and repair of plaster walls.

In the two apartment building owned by James Bovino at 39 Leigh, Mrs. Farley found a toilet overflowing to stain the kitchen ceiling, floors in need of repair and a substandard doorway on the third floor too small for exit in case of fire. Mrs. Farley said that Mr. Bovino had begun immediately to make repairs.

Reporting on previous inspections, Mrs. Farley said she had received a letter from Bruce H. French, owner of 215-19 Birch, stating that he agreed with her findings and would correct those violations "which I consider it my legal obligation to correct. He said

he had already made more than \$3,000 worth of improvements in the apartment at 219. He informed Mrs. Farley that he had installed a new hot water heater, and said that no complaints, except inadequate heat, had ever been made to him.

Mrs. Farley also reported repairs being done at 290 Witherspoon, owned by Mrs. R. J. Liljlund, and at 36 Leigh Avenue, owned by Joseph Bovino. She said that John Delmouzos, owner of 293 Witherspoon, had told her he would begin repair work, but had complained about tenant violations.

The house at 52 Birch Avenue that started the concern about enforcement of the housing code, is still vacant, Mrs. Farley reported. It is owned by Mrs. Liljlund.

Child Bitten. In other business, Mrs. Farley told the board that a child had been bitten by a rat which came from a garbage truck parked on Birch Avenue. The owner of the truck has been reminded that it is illegal to park a load

ed garbage truck on a residential street.

The board listed the 10 properties on Hillside Avenue that still have polluted wells — residents have to boil their water — and discussed the possibility of getting the Princeton Water Company to extend its service to Hillside.

The possibility of a \$7,500 sewer extension along Snowden Lane, to serve 33 lots, was also discussed.

The Princeton Shopping Center asked the board to waive the requirement that a plumbing contractor be hired before a building permit is issued in the case of the Bamberger's addition and the new A&P to be built in the Shopping Center.

The board agreed on the condition that all water used in the air-conditioning system be made available to the Princeton Water Company instead of being allowed to drain away.

FUND GOAL INCREASES

Set At \$500,275. The Princeton Area United Fund Red Cross campaign for 1967 will seek \$500,275, an increase of \$57,912, of 13.1% over the 1966 goal. The goal was set at the recent trustees meeting, based on the four months' study of agency programs and financial

needs presented by Robert Weiss, budget chairman.

Trustees have also approved the inclusion of a new agency, the Hightstown Day Care Center, with a budget of \$9,992. In view of agency needs, trustees recognized the increased cost of free care at Princeton Hospital, expanded services by the Family Service, Homemakers Service and the Visiting Nurse Association, and approved the Red Cross budget, which includes costs of providing the new Blood bank program and the National Red Cross emergency programs. A special emergency fund of \$8,008 was also approved.

Agency allocations for 1968: Boy Scouts \$19,600; Child Guidance Center \$30,000; Children's Home Society \$4,000; Council of Community Services \$16,090; Family Service \$52,000; Hightstown YMCA \$10,475; Homemakers Service \$18,000; Girl Scouts \$10,837; Nursery School \$24,000, and Princeton Hospital \$55,000.

Also, Retarded Children's Assn. \$6,400; U.S.O. \$5,500; Visiting Nurse Assn. \$21,031; Princeton YMCA \$43,050; Princeton YWCA \$38,000; Montgomery Township Community Chest \$5,150 and Red Cross \$58,862.

The trustees have allocated \$27,715 to the 1967 campaign and set aside \$5,000 for the repairs and replacement account and \$10,000 for the revolving fund for collections.

PLANNERS TO MEET

Tuesday. The Borough Planning Board will hold its regular June meeting next Tuesday at 7:45 p.m. in the Engineering Building on Green Street. Two items are on the agenda. The Board will consider the new Borough Master Plan, and the proposal of Westminster Choir College to build a dormitory in the roadbed of Franklin Avenue.

News Of The THEATRES

TASTE IS BITTERSWEET

In Players' Production. Shelagh Delaney's acerbic, "angry" denunciation of contemporary society in "A Taste of Honey" is not likely to jar Princeton from its neo-Colonial coziness, at least not in the Princeton Community Players' production, which will resume this Friday through Sunday in Murray Theatre.

For one thing, director Harry Rubel and his cast have considerably softened the play's hard bleakness and put more emphasis on the lighter, more sentimental aspect.

For another, judging by Friday night's meager attendance, most Princetonians will miss it entirely. This is unfortunate, since, despite its drawbacks, it is as professional a production as Murray Theatre has seen this season.

"A Taste of Honey" is no Marxian dirge. On the contrary, it is a plaintive, bitter-sweet lyric of human beings struggling in a world where social and cultural institutions have failed totally. It alternates between abrasive tough-mindedness and effusive sentimentality.

"Uneasiness and Futility." Yet, its tone is set by a background of squalor and filth, and its most affecting quality is the muted sentiment of uneasiness and futility which undercut its brightest moments.

This feeling is considerably weakened in the Players' production, where the happier scenes are played completely straight. The popular music used in the background, which could have added a tinge of irony, instead sometimes infects the stage with a situation comedy mood.

This mood is reinforced by Dirk Dimock's dynamic frame set, which in its cleverness and irrelevance to the tone of the

play is reminiscent of Oliver Smith. The crampedness, ugliness and filth of which the characters constantly complain is not at all apparent.

Eileen Quenon's characterization of Jo, the daughter who finds herself pregnant after her first romantic encounter, betrays the same emphasis. She is very effective when she portrays the sensitive, forlorn side of Joe, but unconvincing when she is supposed to be sullen and bitterly aggressive.

Shirley Kaufman "Superb." In her vicious battles with her mother, she is no match for Shirley Kaufman, whose superb performance is easily the most successful part of the production.

Her accent is perfect for the vulgar, cynically witty Helen, and as she agitates about the stage, she brilliantly projects the tone of the withering libertine, resigned to misfortune but animated by a somewhat grudging fondness for life and an admittedly distorted love for her daughter.

Though its emphasis softened the plays impact, Mr. Rubel's staging is precise and effective. Don Evans contributes a fine performance as Jo's homosexual friend.

—William H. Simon

OPENING NIGHT

For **Four Plays**. Three original plays, plus a Harold Pinter which has never been given in Princeton, will be performed this Thursday and Friday at 8:30 p.m. in the band room of Princeton High School.

The three originals come from the three playwrights who won in the competition arranged by the New Group for Theatre under the direction of Susan Rosenbaum. The Pinter is "The Lover," a comparatively new work.

Playwrights who will see their works performed are Thomas Sprecher, who wrote "Bright-Eyed and Bushy-Tailed;" Carol Becker, author of "The Walkie-Talkie" and Linette Martin, who won with "A Stranger in These Parts."

Actors in the plays, with a variety of backgrounds in university theatre, little theatre and professional theatres, will be Scotty Bloch, Loral Cadley, Sylvia Field, Irene Rosenberg, Robert Knapp, Trevor Owen and Robert Pack.

Tickets, at \$1.50 and 75 cents for students, will be available

at the band room before the performances.

UP WITH PEOPLE!

Sing Out! A Choral program, titled "Up With People — Sing Out," will be held Friday at 8 in the outdoor theatre at Washington's Crossing State Park. Sponsoring the event are Morven Society and the Washington's Crossing Park Association.

The program opens the season for the Park's Summer series. Tickets, available at the box office, will be \$1 for those under 21 and \$2 for adults.

Arno Safran former member of the music faculty of the Princeton Township Schools, is program director for the upcoming Theatre series. The Summer Theatre schedule will feature a number of programs in the open-air amphitheatre at the state park.

5 MUSICALS PLANNED

At Lambertville. "The Fantasticks," New York's fantastic long-running off-Broadway hit, will open the show season for the Lambertville Music Circus on July 4. It will play for one week.

A FISTFUL OF DOLLARS: Clint Eastwood gives a forceful portrayal of a moody and violent gunfighter, the Man With No Name, who returns a kidnapped child to its mother, played by Marianne Koch, in the above-average western opening at the Garden this Sunday.

will run from July 11 to 16, followed by "Funny Girl," from July 16 to 30.

The Republic of Guinea dancers and acrobats who travel under the name, "Les Ballets Africains," will appear from August 1 through 6. Minsky's Burlesque Follies, direct from Las Vegas, will close the musical show part of the season with a run from August 15 to 20.

Interwoven with all of these will be more than two dozen jazz, rock, pop and folk attractions, starting this Friday and Saturday with The Ramsey Lewis Trio and continuing on Monday and Tuesday with Earl Wrightson and Lois Hunt.

Next Wednesday and Thursday June 7 and 8, the tent will present Stan Kenton and his orchestra, with Sarah Vaughan, Percival Borde and his "talking drums" on Friday, Saturday and Sunday, June 9, 10 and 11.

The variety part of the summer will begin Tuesday, June 13 with The Jane Powell Show with the Mariachi Brass and Bob Melvin, through the 18th, followed June 20-25 by The Wayne Newton Show with Jackie Kahane and The Young Americans.

GARDEN

How to Succeed in Business Without Really Trying (held over through Saturday after a week at the Playhouse)

A Fistful of Dollars (Saturday Wednesday) A new breed of western may have been born with the filming of this powerful story, and the chief difficulty will be to overcome resistance on the part of non-western fans. Made in Italy, it has a well done, off-beat story and a forceful portrayal of a moody and violent character by Clint Eastwood of TV's "Rawhide" series.

Eastwood, in the role of The Man With No Name, rides into a little Mexican town and finds it controlled by two rival families who smuggle guns into the United States. In a single showdown, he fans his revolver

and four men lie dead. Both factions are anxious to have him on their sides and he plays both ends against the middle. Eastwood's acting is compassionate, believable. There is a haunting, singable score by Dan Savio.

PLAYHOUSE

Texas Across the River (Wednesday thru Saturday) is a comedy western about life on the old Texas frontier. It pokes fun at the cavalry, Indians and Texas itself.

The cast includes Dean Martin as a native Texan, Joey Eishop as his Indian sidekick, named Kronk, French actor Alain Delon who proves surprisingly adept at the technique of lampooning. Rosemary Forsyth and Tina Marquand.

There is also Lienden Chiles as the Comanche who never does anything right in battle. Sent out to fight Delon in single combat, one of the Comanches mutters, "There goes the ball game." This is said in Indian dialect and translated in English subtitles in parody of recent war films.

"Texas Across the River" is an engaging romp — something for the whole family to enjoy, along with sophisticated admirers of satiric buffoonery.

One Million Years B. C. (Sunday thru Tuesday) It's not likely that anyone — except, maybe, the young and impressionable — will take this film seriously as a picture of what life was like for the caveman. But it does have a lot of action — everything from monsters to savage hand-to-hand fighting among both men and women and the eruption of a volcano at the end.

Outside of grunts and other monosyllabic noises, there is no dialogue — which forces the cast to emphasize facial acting, and they do most campy and flamboyantly. Perhaps the most amusing scene is the one in which buxom

Mrs. Albert Austin (avec chapeau) as they show off some
of the Hospital Fete Boutique Booth items. Mrs. Austin's
son hat and flowered racket cover will be in the Boutique.
The wastebasket and poolside bucket for cigarette stubs,
will be on sale, too.

IT'S NEW To Us

SHOP AT THE FETE

The "Lane" Beckons. If you
need a new apron or a piece
of sculpture, you know where
to go: the Lane of Shops at the
Hospital Fete this Saturday
on the University field across
the Lake (across if you live in
Princeton, that is).

We hear that 150 aprons will
be for sale, and if one is all
you can use, we'll take the
other 149. Apron chairmen are
Mrs. Robert J. Rivers and Mrs.
Margaret Miller and the stock
includes big daddies for bar-
becuing and little frillies for
serving cocktails.

Sculpture, along with ceram-
ics, prints, photographs and
examples of weaving, will be in
the Gallery from the ateliers of
about 350 artists in the area.
(Either that's a lot of artists or
the area has grown consider-
ably. Mrs. Kathleen Blumen-
feld, Mrs. J. Mercer Rampona
and Mrs. Robert Andrus are
chairmen.

The Boutique, with Mrs.
Pieter Fisher and Mrs. C.
Barnwell Straut in charge,
promises color! It's bigger, too.
The ladies say. Here are ex-
quisite hand-knit sweaters and
the fine needlework, the one-
of-a-kind (well, almost . . .)
evening skirts and the floppy
hats that match the tennis
racket covers.

Mr. and Mrs. Nelson Deyo
have made some beautiful
clothes hangers of wool decor-
ated with flowers, and many
of the ladies who live in "Mer-
wick" have made lovely small
gifts things (like glasses cases
and tissue cases) using ap-
pliqued felt.

Our favorite Boutique item
is a travel sewing kit with all
the needles threaded. We dare
you to use them all up!

Papier-mache jewelry in the
sunny colors of summer, and
hairbands and wastebaskets
and a painted table with chairs
. . . all from the Lane of Shops
Boutique.

Hello, Daddy!

Lucite has been used for
striking Father's Day gifts
at Happy House.

The most unusual employ-
ment of the plastic is in a
clear cube paperweight about
three inches each
way. "The Six Faces of
Eve" shows black outline
drawings of a woman on the
various facets of the trans-
parent cube. On another,
there are kaleidoscopic de-
sign in black outline.

Drawings by Picasso, De-
gas, Kollwitz and Mogdili-
ani have been traced in
black on the milky surface
of textured lucite to make
a print for a man's desk.
The size is desk-size, but
several of the drawings
could be grouped on a small
wall.

By this time, you're hungry
and you've found the Crepes
booth and ordered chicken liver
with mushrooms, duck with
wild rice and orange sauce,
strawberry Chantilly or blue-
berry. Espresso coffee to go
with? Of course!

At the 4-and-20 Blackbirds
booth in the Lane, you'll find
mysterious wrapped surprises.
This year, there's a new item
in the inventory: new paper-
back books. Mrs. David T.
Demme and Mrs. Donald
Mackie are chairmen.

Another gamble, if you want
to call it that, is the Auction
Tent. Bid on one of the three
Steuben vases, or the lovely
white fox shrug. A mink stole
is up for your bid, and so is a
great big huggable raccoon
coat. And a great, big huggable
blonde wig! We're serious: a
wig, really.

The large breakfront proba-
bly doesn't belong to the
blonde with the wig, but it may
belong to you if your bid is
right. A Canton tray would
look fine on one of its shelves,
and so would one of a collec-
tion to fans. They tell us one
of those fans is worth \$200. Try
that on a hot day!

We like "The Pampered
Kitchen," which ours certainly
is not. Here will be wonder-
ful antique pots and pans to
bring a glow to a big farm
kitchen, and sleek contempo-
rary ware for the newest house
in town—yours, of course. Mrs.
Laurie Vance Johnson and
Mrs. Charles H. Magers are
in charge of the kitchen.

The Flea Market, run by the
Hospital Aid Committee and
Mrs. William Aiken and Mrs.
Joseph Grazil, will have white
elephants instead of fleas, but
as you know, one woman's
white elephant is another
woman's treasure, so don't
skip the Flea Market on your
tour of the Lane.

At the Fabric Shop, Mrs.
Glenn Mohrman and Mrs.
Frank J. Clark have access-
ories to match the fabrics. Want
to challenge them? Mrs. K.

UP THE CORPORATE LADDER: Bobby Morse applies a natural aptitude for guile and the double cross as he moves up from mailboy to chairman of the board in the musical satire, "How to Succeed in Business Without Really Trying," now at the Garden, Prince and RKO Lincoln Theatres.

BAMBOO GROWS

On Your Patio. It must be the wet weather. Bamboo is so thick at Happy House, in the Shopping Center, you have to hack your way through the door.

A beverage set is clear glass

molded with bamboo design. There's a tall, elongated pitcher and six small glasses, and then a matching set of open-stock glassware: double old-fashioned, juice glasses, highballs and so on, all with the bamboo design in clear glass.

We might also serve from four insulated tumblers and matching placemats, or matching tray (\$3.95 a set, either way). This is green or brown bamboo.

Of course, you'll want the bamboo paperware: plates, napkins, cups, tablecloth with a very pleasing Japanese design which will bring a cool and summery look to your table even though you haven't gone all out on the bamboo trail.

Laminated transparent placemats have real bamboo woven inside (\$1.65 ea.), wooden snackboards have bamboo tile insets and bamboo-like wooden handles on the knife, bamboo wraps the glass of a patio candle-holder with orange, yellow or green glass.

Well, you get the bamboo idea. Daisies are almost as big a theme this summer at Happy House, so you can pick daisies if you're so inclined.

Denby of England sends along contemporary stoneware, dark and handsome, one pattern with striations, another with a tawny flower against natural cream. In this darkly striking ovenproof ware, you have plates, mugs, cups, accessory pieces—everything you need for casual patio dining. And durable!

From Finland, Happy House imports enamel-on-steel utensils for the kitchen, and in the happiest colors! Rich royal blue, cherry red or golden yellow, each decorated with a narrow rim of white medallions sounds good enough to eat, doesn't it?

There's a hefty tea-kettle, a covered and straight-sided frying pan with walnut handle, a beanpot, a covered saucepan and for fondue, a grilled burner which can be used as a table-warmer.

It's the best-look cook ware we've seen in some time, and so sturdy you can almost consider it heirloom quality. Know a bride in need of a present?

ing public swimming pools. Two days later, Princeton's community swimming pool was dedicated. However, the new ordinance, which adopts the state code with a few amendments, can be brought into action if the new community pool ever needs alterations. The code also covers operation of a public pool.

Public hearing on the ordinance will be held on Thursday, June 22 at 8 p.m. in Township Hall, one week earlier than the Board's normal monthly meeting.

At the request of the Princeton University swimming coach, the ordinance adds more depth to diving areas than the state code requires. It also specifies how many times pool water must be checked (twice a week) where shoes may and may not be worn, and the kind of toilets that may be installed.

184 WIN DEGREES

At Princeton Seminary. The 155th annual commencement at Princeton Theological Seminary will be held at 10:30 on Tuesday, June 6, in the Princeton University Chapel. The seminary will confer 81 bachelor of divinity and 14 master of religious education degrees, with advanced degrees of master of theology and doctor of

NEW BUILDING DEDICATED: The \$1.3 million astrophysical sciences building, William Charles Peyton Hall, was dedicated on Friday by (from left) Professor Lyman Spitzer Jr., department head and University Research Board chairman; Bernard Peyton, '17, and President Robert F. Goheen. The building honors Mr. Peyton's father, a long-time supporter of astronomy at Princeton. Mr. Peyton, whose gift with National Science Foundation and Ford Foundation grants made Peyton Hall possible, has been chairman of the Advisory Council for the Astrophysical Sciences Department since 1950.

theology awarded to 88 candidates.

The Rev. John D. McCaughy, Master of Ormond College, University of Melbourne, and Commonwealth Visiting Professor at Oxford, will be the commencement speaker. The retiring president of the trustee board, the Rev. Dr. Peter K. Emmans, will preach at the 4 p.m. Baccalaureate service this Sunday in First Presbyterian Church.

More than 200 alumni are expected to participate in the Alumni Day program on Monday. There will be a series of addresses, seminars and discussions on "The Future of Christian Mission." The program is the second major observance of the centennial of the births of Robert E. Speer and Samuel M. Zwemer, major figures in the foreign mission movement of this century.

Speakers on Alumni Day include the Rev. Dr. John C. Smith, general secretary of the United Presbyterian Commission on Ecumenical Mission and Relations; the Rev. Ernest T. Campbell of First Presbyterian Church, Ann Arbor, Mich.; Professor M. Richard Shaull of Princeton Seminary, and the Rev. Ernest L. Fogg of the ecumenical mission commission.

President James I. McCord will speak on "Whither American Protestantism?" at the annual alumni banquet, and the Rev. Dr. J. Christy Wilson, dean emeritus of field educa-

tion, is scheduled to address the alumni luncheon.

GIRL SUFFERS CUT KNEE

In Intersection Crash. Four sutures were needed at Princeton Hospital Thursday to close a gash that Lenore Allen received when she was involved in an accident at the intersection of Moore Street and Hamilton Avenue.

Miss Allen, 14, 414 Terhune Road, was a passenger in a car driven by her mother, Mrs. Doris R. Allen. Mrs. Allen's car was struck when Antonio Mennella, 30, 39 Oakland Road, failed to observe a stop sign on Hamilton, police reported. He was ticketed by Officer David Alston.

Woman Dragged by Car. Quick action by John A. Hartmann III, 24 Quaker Bridge Road, prevented serious injury to a Trenton woman last week.

Mr. Hartmann told police he had seen a woman get out of a car on John Street and saw her fall the minute the car drove off. Noticing her coat had caught in the car door, he ran up and shouted to the driver to stop.

The woman, Miss Ruth Slane, 65, was admitted to Princeton Hospital for treatment of a fractured left arm. The investigating officer, Sgt. Theodore Lewis reported that from information supplied by Mr. Hartmann it was ascertained that Miss Slane had been dragged about 51 feet.

Sgt. Lewis made no charges against the driver, Vincent La-

nigan, 66, of Trenton, who was unaware of what had happened until Mr. Hartmann began shouting at him. The incident occurred last Wednesday.

WALLETS STOLEN

From Women Employees. Two women employees at Princeton business establishments last week reported wallets stolen from their purses.

Mrs. Ida Sassman, an employee of the University Cleaners branch at 12 Witherspoon Street, told Borough police that her wallet had been stolen from her handbag Saturday during one of the few times she had to leave the front counter unattended.

It was found the next day in a trash basket in front of the Princeton Bank and Trust Company, minus the \$58 it had contained. Mrs. Sassman reported the theft had occurred around noon and that the laundromat had been busy at the time with customers coming in and out.

The previous day, Mrs. —Continued on Page 12

What Goes on Behind Princeton's Closed Doors!

We don't really know. We just thought this would be an excellent way to get your attention!

Over the past five years many people have told us that our selection of Scandinavian and domestic contemporary furniture exceeded their expectations. Many of our now clients have hired babysitters and dragged themselves off to a N. Y. furniture browsing and buying expedition, only to return, make their purchases at VIKING and inform us that we have a finer selection than most N. Y. stores, and that our prices were far less.

There is never a delivery charge, and we offer a design service by a competent A.I.D. that you will find difficult to turn down. All this is part of our customer service. A service that VIKING extends to you, and never a fee.

Our selection of furniture is very carefully picked from American sources such as ARMSTRONG—FOUNDERS—SELIG—THAYER COGGIN—DIRECTIONAL—HERMAN MILLER—KNOLL ASSOCIATES, and HABITAT, to mention just a few. Our SCANDINAVIAN collection is tops, with lines like MOREDDI—TANIER—DUX—FALSTER—FRITZ HANSEN—UNIKA—VAEV and STENDIG.

Many people are still not aware that classics such as the "EAMES" chair the "BARCELONA" chair and the "EGG" chair are always available at VIKING.

We have never really tooted our own horn before, but we sincerely feel that we have the finest collection of Scandinavian and domestic furniture in the area.

Our semi-annual sale will start June 17th at 9:30 A.M.

We would like you to use these three weeks to come in and browse at your leisure — an opportunity no other store offers, for fear that they might lose some business in the three weeks prior to the sale.

We hope our method of getting you to read this article amused you. Advertising experts tell us in order to get your attention we must either STIMULATE, IRRITATE or AGGRAVATE. We choose to STIMULATE you.

Sincerely,

Viking Furniture

Charles Harris, 21 Hawthorne Avenue, an employee at Clayton's on Palmer Square, reported her wallet containing \$35 missing from her purse.

It was found later in a mailbox on the corner of Vandeventer and Wiggins Streets. Mrs. Harris told police she had left her purse unattended on a counter in the store for a few minutes.

Matt Galinka, manager of the Cottage Club, 51 Prospect Avenue, reported a theft Thursday in an employee's room on the third floor.

He said someone entered the room of Bud Hockenberry, apparently over the transom, and removed \$247 from a blue suitcase. Nothing else was taken, police said.

BID ON A SWING: Hospital Fete Auction patrons may out-bid each other on Saturday for this swing set donated by Mrs. Donald A. Pickering, who happens to be Fete co-chairman. Auction chairman Mrs. Elmer E. Chase (left) and Mrs. O. Klise Fulmer supervise Mrs. Chase's grandchildren (left to right) Sam Monroe, Chase Monroe and Jeannie Monroe. They are the children of Mr. and Mrs. S. E. Monroe.

BIRTHS

Twelve Born. Eight boys and four girls were born last week at Princeton Hospital.

Sons were born to Mr. and Mrs. Gerald Minsky, 2323 Pennington Road, Hopewell, on May 21; Mr. and Mrs. Ernest Archer, Moores Mill-Mt. Rose Road, Pennington; May 22; Mr. and Mrs. William Pullen, 38 Waldron Road, Allentown, May 23; Mr. and Mrs. Glenn Steele, 175 Hamilton Avenue, May 24; Mr. and Mrs. Peter Temko, New Jersey Neuro-Psychiatric Institute, Skillman, and Mr. and Mrs. Snellings Patterson, 47 Church Street, Allentown, both on May 26; Mr. and Mrs. Robert Christensen, 222 Mosher Road, Belle Mead, and Mr. and Mrs. Anthony Olisowski, Stony Brook Road, Hopewell, both on May 27.

Daughters were born to Mr. and Mrs. Lubomyr Onyshevych, 180 Franklin Corner Road, Trenton, May 22; Mr. and Mrs. Richard Steiner, Marion Road East, May 23; Mr. and Mrs. Roy Randolph, 174 Railroad Avenue, Hightstown, May 24; and Mr. and Mrs. Hinder R. Rawlings, 3d, 120 Prospect Avenue, May 25.

DRIVER CHARGED

For Backing into Street. Failure to yield while leaving a private road led to a two-car collision Monday morning on Moore Street.

Allen E. Bardwell, 41, 24 Ball court Drive, was charged by Ptl. Thomas Michard with backing into a car driven by Alice S. Potts, 56, 56 Fisher Avenue. Mrs. Potts was taken to Princeton Hospital where she was X-rayed for a bruised left elbow. Her car had to be towed away.

\$30 STOLEN

From Country Farm Store. Thirty dollars in petty cash and three cartons of cigarettes valued at \$10 were stolen Monday night from the Country Farm Store, 205 Witherspoon Street.

Police said a pane of glass in a rear door was broken to gain entry. The store was ransacked by Sgt. Theodore Lewis in vigilance for Borough police.

OFFICERS ELECTED

By Catholic Daughters. The Catholic Daughters of America have elected new officers for the 1967-1968 year, and the chapter will install the new leaders at its next meeting on June 13. The meeting will follow at 6 p.m. covered dish supper.

Elected to chapter positions are: Mrs. Ann Boccassano, grand regent; Mrs. Alice Schannel, vice grand regent; Mrs. Alice Schaffter, prophetess; Mrs. Anna DiDonato, monitor; Mrs. Helen Butterfoss, treasurer; Mrs. Jennie Caruso, financial secretary; Mrs. Eliza Busch, historian; Mrs. Elizabeth Looney, lecturer; Mrs. Lena DiDonato, sentinel; Mrs. Esther Stalker, organist; Mrs. Catherine Brabson and Mrs. Anna Zeccola, trustees.

Shuttle to the Fete

A continuous, continuing continual free shuttle service will be available to ferry Hospital Fete patrons from Nassau Street to the Fete grounds on the University's parking field.

The shuttle will be a Volkswagen microbus (two, in fact) operated by employees of the Princeton Post Office.

It will run from Nassau Street, in front of the First Presbyterian Church, to the Fete grounds across Lake Carnegie on the University's new parking field. Hours: 9:30 a.m. to 6 p.m.

James Jones, of the Post Office Annex, has lined up 14 of his colleagues to drive the buses during the day. All aboard!

TEENS HELP FETE

"Couldn't Do Without Them." You'll find them all over the field at the Hospital Fete this Saturday, selling balloons, or Sno-cones and lending a note of frisk and fun to the whole day.

They're teen agers, all sizes, and the Fete ladies say "We couldn't run the show without them."

More than 40 girls in long pastel skirts will again roam the grounds with balloons, lollypops, candy necklaces and flowers for sale.

This Friday, John Claghorn and a committee of his friends from Princeton Day School will help to set up the Children's Entertainment booths. A group of Hun boys will put up the posters that tell you where to find what (or whom!).

Cia Ballantine, Molly Hall and Abby Sheldon will work the Make-up Booth. Chooch Cleaver and Sandy Wandelt will take care of the Go-Go Tent and Jenny Clark will help out in the Fabric Booth.

Wendy McCaughan, Cary McCaughan, Robert Anderson and Mark Fischer have signed up to help with the food. Terry Tweel is supervising the sale of Sno-Cones.

Sandy Schuele will be back at his post running one of last year's most popular features, "Date Mate," the computer dating game. The Goldfish Game and the Mobile Grab Bag will have teen managers. Girl Scout Troop 91 will handle the Pony Rides. Boy Scouts have already delivered the program books, and Trinity Teens are all over the lot.

RECEPTION PLANNED

For Teachers at Inn. Five members of the Princeton Regional Teachers' Association will be honored at the Tuesday meeting of the Association in the Princeton Inn. Dr. John McKenna is leaving for a new post. Four of the members are retiring.

Dr. McKenna has been acting as interim superintendent of the Princeton Regional schools. He will leave this month to become superintendent of schools in Madison.

The retiring members are: Mrs. Julia T. Weiland of the Littlebrook School, Mrs. Laura Watson of the Community Park School, Howard Waxwood Jr., former principal of the Witherpoon School, and Mrs. Freda Gebhardt, school dietitian.

Ronald Gendaszek is chairman of the program. Assisting him are Mrs. Fred Zenone, Mrs. Margaret Pownall, Mrs. Pat Sullivan, Mrs. Rosemary Hausdoerffer, Mrs. Sarah Harris and Norman Van Arsdalen.

MEMBERS INDUCTED

By Lions Club. Two new members Don Brune and Paul Hill — have been admitted by the Princeton Lions Club. Presiding over the induction ceremony were former Club presidents Pat Petrozzini and Martin Mains.

Robert Nelson, president of the Club, named five convention delegates and five alternates to the 46th annual convention of New Jersey Lions Clubs. Some 1300 delegates — representing nearly 300 clubs — will attend the Atlantic City convention this week.

BUS TOUR ANNOUNCED
By Historical Society. The Princeton Historical Society will spend Tuesday afternoon touring Princeton by bus. Leaving at 2 o'clock, the tour will cover historical sites in Princeton under the guidance of Mrs. Robert Greiff.

— Continued on Next Page

Later in the afternoon tea will be served in Bainbridge House to the bus passengers. Those interested in learning more about their community should call Bainbridge House at 921 6748 between 10 and 1 to make reservations.

Garth Pitcairn hates lemons

**...so he bought a \$500,000.
Electronic Lemon-Proofer to make every
new Olds he sells Lemon-Proof.**

It's a little irreverent to call a half-million dollars worth of sophisticated electronics a Lemon-Proofer. But what else are you going to call something that Lemon-Proofs your car? An Automotive Diagnostic Center? (That's what the January Reader's Digest called it.)

Anyway, Garth Pitcairn must hate lemons more than any other automobile dealer in the county. Because he's the only automobile dealer who's invested 500 grand to stomp lemons out.

Every factory-fresh Pitcairn Olds goes through the Lemon-Proofer before we take the cellophone

off the seats. And it gets reLemon-Proofed at a 2,000 mile check-up.

If it's a good used car you want from Pitcairn, that gets Lemon-Proofed, too. Before it's allowed on the lot. And again at a 1,000 mile check-up.

In 16 minutes, the Lemon-Proofer Lemon-Proofs 86 different parts and operations of your car with infallible electronics.

The Lemon-Proofer doesn't guess. It doesn't make mistakes that cost you time, money or safety. It just Lemon-Proofs cars that are going to run like a half-million dollars.

Quality Gifts

Here is a practical graduation gift for a man who owns a watch.

When he got his watch, he got more time than he bargained for. Or less time.

Because the mechanical parts that make a watch go also make it go wrong when affected by congealed oil, dirt and wear.

Even by temperature changes.

These parts can be replaced by a jeweler. Or they can be replaced by a tuning fork (that may never need replacing).

The tuning fork is found only in an Accutron® timepiece. Where it keeps up a constant 21,600 vibrations a minute. And won't keep him guessing what time it is.

We guarantee he'll know the time within a minute a month.*

ACCUTRON SPACEVIEW "C"
Stainless steel case, waterproof, sweep second hand, luminous hands and dots, black python strap, \$126.00

*We will adjust to this tolerance, if necessary. Guarantee is for one year. †When case, crystal and crown are intact.

FRANK IS RECIPIENT
Of Radio Scholarship. Elliot S. Frank, a senior at Princeton High School, has been awarded the annual Jensen Memorial Radio Scholarship. He is the son of Dr. and Mrs. Henry J. Frank, 126 Valley Road.

The award is presented to the senior exhibiting high standards of Christian character who is an active member of the Princeton YMCA Radio Club. A good academic standing in school, particularly in science, is also stressed.

Young Frank has been a member of the Radio Club since 1963 and is a licensed radio amateur. He spent last summer at Stevens Institute of Technology studying computer programming and abstract algebra under the National Science Foundation. On the basis of his experience, he obtained a job at Princeton University as a key puncher and assistant programmer.

After graduation, he will study at New York's Columbia College.

COMMENCEMENT SET

By Choir College. The 38th annual commencement exercises of Westminster Choir College will be held Friday at 10:30 in the Princeton University Chapel. The College will graduate 56 seniors.

The entire student body will sing the commencement music. Works to be performed include Hassler's "137th Psalm," Randall Thompson's "Alleluia," and Warren Martin's "Anthem of Dedication."

The Rev. Theodore P. Ferris of Trinity Church, Boston, will be commencement speaker. The Harvard graduate is a composer, a member of the Boston Symphony Board and a trustee of Wellesley College.

Joining the Choir College faculty next year will be David Kraehenbuehl, former musical director of the New School for Music Study. Prior to joining the New School in 1960, he was associate professor of music theory at Yale University.

His compositions include "Dyptich for Violin and Piano" and numerous pieces created to aid music teachers. He lives with his wife and seven children in Cranbury.

FIVE DRIVERS HALTED

On Points. Five Princeton area drivers have had their licenses suspended by the Division of Motor Vehicles under its point system.

WINS RADIO SCHOLARSHIP: Elliot Frank (center) has been named recipient of the Jensen Memorial Radio Club Scholarship. From left are Frank Clark, general secretary of the Princeton YMCA; Arthur Jesseo, Elliott Frank, Conrad Gardner, Radio Club trustee; and Calvin Rendemann, club advisor. Story, this page.

Lane, and Vito J. Toscano, 45, 2349 Pennington Road, Pennington, each lost his license for two months. Lewis L. Long, 51, 19 Maplewood Avenue, Cranbury, and Juan Benitez, 31, Princeton Nurseries, Kingston, surrendered their licenses for 60 days, while Barry R. Thompson, 22, Carter Road, lost his for 90 days.

Three were halted 30 days each for speeding. They are Emilio Basz, 25, 481 Stockton Street; George W. Johnson, 22, 130 Nassau Street, and Michael J. Ruberto Jr., 20, Featherbed Lane, Hopewell.

STUDENTS TO SHOW ART

In Pennington. A two-week long art show will open Friday evening at the Queen Street Shop on 43 South Main Street in Pennington. After the 7:30 reception officially begins the show, the art works will remain in place until June 16.

Featured will be pieces by the pupils of Elizabeth Ruggles, Ruth Ann Willard, Margaret Harris, Donald Werden and Theodore Spawn.

The pieces will be representative of the students' work during the previous year.

SENIORS TO GRADUATE

At the Hun School. Thirteen Princeton area boys are members of the graduating class at the Hun School. They will participate in the school's 53rd annual commencement exercises on Sunday.

Princeton residents include: Christopher Blaicher, Anthony Halley, Christopher R. Hinkle, Wilson H. Kehoe, David Liederman, Holt Murray Jr., David A. Shenker, D. Derek Smith, James Stretch Jr. and Christopher Tobish. Also graduating will be Robert Carter of Cranbury, David Keefe of Hopewell and Richard Smith of Belle Mead.

Baccalaureate services will be held Sunday at 11 in Saks Auditorium at the Hun School. The commencement is scheduled for 3 after a buffet luncheon.

ARTISTS TO MEET

Wednesday, June 7. The Princeton Art Association will

hold its annual meeting next Wednesday at 8 at 14 Nassau Street. David Chapin, New York artist, will lead a discussion on the development of a creative idea in painting.

The Annual Members' Show will be ready for previewing during the social hour after the meeting. The show will be open to the public over Reunion Weekend.

Mrs. Neal O'Connor, president of the Association, will summarize the years' activities in her final report. Election of new officers will be held and those named will be installed at the meeting.

CLASSES IN JULY

For Princeton Summer School. Registration for the Princeton Summer School will take place between 9 and 3 at Princeton High School from June 19 until June 23. The school session begins June 26 and runs through August 4.

Classes will meet for one and a half hour periods between 8 and 12:40 Monday through Friday during the school session. Courses in all regular secondary school subjects — including English, foreign languages, science, and math — will be offered, as well as any course for which there is additional demand.

The fee for each high school level course is \$40, while elementary level courses cost \$35. For further information, contact Harry Zoll, director of the school, at 924-4645.

FIESTA FLAMENCA SET

By Circulo Espanol. The Circulo Espanol of Princeton will hold its final meeting of the year Saturday at 7. The meeting will feature a dinner and "Fiesta Flamenca."

For reservations and information call Yolanda Cabrera at 921-2680. The affair has been scheduled for the home of Mr. and Mrs. James Watson of 158 Terhune Road.

am. They were competing against teams from nine other high schools in Hunterdon and Mercer counties.

Each school chose four or five students to do ten problems from geometry and intermediate algebra in one hour. Before the contest ended, team sponsors named three students from their teams whose papers would count toward the team score.

Susan Graham of Princeton won top honors, as she successfully completed eight of ten problems. Fred Fox and Mike Reich of Princeton High School also placed high in the scoring.

LIVINGSTON TAKES FORM

As New College. "An intense intellectual involvement with the contemporary world," is the attitude Livingston College hopes to evoke in its students, said Dean Ernest A. Lynton, 655 Snowden Lane, outlining the approach that Livingston will take toward education this week.

Livingston is the first of three coeducational colleges planned for the former site of Camp Kilmer near New Brunswick. Its first freshman class of 900 will enter in the fall of 1969. Ground has been broken for three residence halls, a classroom-office building and a chemistry building, constituting Phase One of construction.

Dr. Lynton views the problems confronting the modern world from three perspectives: the rapid, uncontrolled and unbalanced growth of urban complexes; the explosive development of non-European countries and the inability of even western nations to assimilate scientific progress.

The Dean says that Livingston's curriculum will emphasize urban affairs and international studies, especially Asian and Latin American. City and regional planning, in this country and abroad, will be part of the liberal arts framework.

"We want Livingston's students to be drawn into all kinds of activities on campus," he says, "from informal discussions to research projects. We envision such things as part-time projects and year-long internships in the United States and abroad."

The school is aiming toward an eventual enrollment of 3,500.

Harris was ordered to pay \$10 court costs. He pleaded guilty to both.

The defendant was first arrested by Ptl. John Chasko Friday morning on Nassau Street at Palmer Square, where he was attempting to direct traffic. Ptl. Chasko reported he tried to put the defendant on a bus to Trenton but he refused. Instead, he became boisterous, used loud and of fensive language and threatened him, Ptl. Chasko said.

He was taken to Borough jail to cool off. By 9 that night he had sobered up and had paid his bail of \$25. He left jail around 9:20.

At 10:15, police were informed that a man was creating a disturbance in front of the Princeton Playhouse. Ptl. William Hunter responded and locked up Harris again for his loud and abusive language.

Drivers Fined. In traffic court, William R. Haldine Jr., 18, 456 Ewing Street, and Kathleen Petzold, 44, 179 Longview Drive, were each fined \$15 for following too closely. C. M. Bash, 60 Lafayette Road, and Peggy Tyler, 29, 32 Cuvier Road, paid \$15 and \$29 for speeding.

Sara Morey, 18, 210 Mount Airy Avenue, paid \$12, red light, and Helen B. Jessup, 75, 50 Wilson Road, paid \$12, stop sign. An unlicensed driver violation cost Edward J. McCabe, 32, 315 Herontown Road, \$10.

Terry Lotz, 20, Route 27, was fined \$15 for careless driving. In addition, his license was revoked for 90 days.

State Halls Five. Five Princeton area drivers have had their licenses suspended by the Division of Motor Vehicles.

For exceeding the point limit, Benedict Yedlin, 41, 20 Nassau Street, and Stanton A. Werman, 41, 16 Hunter Road, lost their licenses for one month. Thor H. Bergstrom, 19, Griggstown-Mosher Road, surrendered his for 45 days.

John E. Cawley, 17, 10 Westcott Road, and John W. Weber, 22, 108 Parkside Drive, were halted for speeding. Each lost his license for 30 days.

TO INSTALL OFFICERS

At AAUW Picnic. Mrs. Lynn B. Mann, a charter member of the Princeton branch of the American Association of University Women, will preside at the installation of officers at next Wednesday's covered dish picnic supper. The event will be held at 7 p.m. on the grounds of All Saints' Chapel, Van Dyke Road. Mrs. E. E. Hoisington will review the unit's 10 years and Miss Dorothy Wagner will give an illustrated talk on her trip to Afghanistan.

New officers are Mrs. Richard E. Utnian, president; Mrs. Robert White-Stevens, first vice-president and program development; Mrs. Robert J. Adam, second vice-president and membership chairman; Mrs. John R. Golden, treasurer, and Mrs. I. Oliver Karraker, director at large.

Also, Mrs. Edward Farrell, bulletin; Mrs. John Dismukes.

SMALL FIRES OCCUR
At Princeton Inn, St. Paul's. Two small fires occurred on Saturday, one early in the morning at the Princeton Inn and the second shortly after noon at the rear of St. Paul's Church.
The fire at the Inn was confined to a stairwell in the employees' wing. Police said that a mattress that had been brought up from the cellar and left in the stairwell had caught fire. It and a nearby coke machine were damaged.
Three volunteer fire companies responded to a 12:47 p.m. alarm sounded for a blaze in a trash pile adjacent to a two-car garage in the rear of St. Paul's Church. The fire was confined to the trash pile and siding of the garage.

APOLOGIES OFFERED . . .
And Accepted. The text of letters exchanged between several Princeton boys and President Robert F. Goheen of Princeton University were made public this week by the John Witherspoon Civic Association.

Mrs. Kathleen M. Edwards, chairman of the association, had written TOWN TOPICS following the visit of George Wallace, former governor of Alabama, to Princeton, expressing regret over the action of several teenagers in Dillon Gym, following Mr. Wallace's departure that night. She indicated that apologies for the part residents of the John-Witherspoon area had played in the disturbance would be forthcoming.

They wrote Dr. Goheen: "To your faculty, students and all other personnel of Princeton University, we apologize for our department at the university, on the evening of 11

May 1967, at a rally sponsored by the Whig-Clisophic Society, for the former Governor of Alabama, George Wallace.
"In our enthusiasm to participate in the demonstration and be a part of the picket lines, we feel that discretion, foresight, and wisdom was not exhibited by ourselves in our behavior. We could have walked away from the verbal insults and the chair-swinging episodes, which were being directed at us and banished from across the gym; but an apprehensive atmosphere was prevailing and thoughtfulness was not used."

"In our endeavor to exercise and give vent to our feelings; and, instead of being youths

that Princeton could be proud of; and citizens that the town could look upon with pride, we set forth to make two wrongs a right and were unsuccessful. "We cannot say too much at this point to express our regret for the most unfortunate incidents which occurred, knowing now, and in the past, our irresponsible behavior has provoked you. In submitting this letter, we are attempting to apologize to you, your faculty, your student body and other personnel on your staff, in addition to trying to relieve our conscience of our approach to the situation for our behavior, to Princeton and to our parents. "Would you be so kind as to circulate this letter to your personnel. Any disciplinary action you may institute against us, we'll receive as young adults should."

"Again, our sincere apologies."

Dr. Goheen replied: "Thank you for the good letter on May 12 signed by Leigh Newlin and eight other of your members. I want you to know that I appreciate your courtesy and realize that the minor incident in the Dillon Gymnasium, though unfortunate, was understandable under the emotional circumstances of the evening. "Your cooperative and constructive attitude is most gratifying."

SOMETIMES SACRIFICES HAVE TO BE MADE: Service station manager Constant Gnanaceti says "with all the traffic we've got sometimes you have to make sacrifices", but adds that he is neither in favor of nor opposed to the proposal to widen certain Princeton streets to accommodate thru traffic. (Staff Photo)

Question of the Week

Question: Do you believe that widening Princeton streets to accommodate through traffic will hurt its residential qualities? (Submitted by Mrs. Alan Valentine, 7 Lafayette Road)

Where asked: Palmer Square.

Constant "Frenchy" Gnanaceti, Guyot Avenue, manager of Gulf Station, Maple and Nassau Streets: As far as widening any streets, I'm not knocking it and I'm not for it. I think it's a problem for the people who will be inconvenienced. Naturally, I think they'll be upset. I think they should be given a chance to speak out and I'm sure they will if they are dissatisfied. I don't live there, so I can't say whether it will or not. The more traffic, the more hazards, but something has to be done with the delays and bottlenecks. I don't see how but with all the traffic we've got now, sometimes you have to make sacrifices.

Mrs. Donna Young, 29 Wiggins Street, teacher: In certain areas, yes, I think they would be but for the sake of safety, I think streets should be widened wherever the heaviest traffic goes. If the heaviest traffic goes through residential areas, I feel the streets should be widened even if it is residential. A lot of people in the Hodge Road area have big lawns, anywa, so a few fig feet won't hurt them.

Mrs. Alpheus T. Mason, 8 Edgehill Street, teacher: Yes, I do. I think it's a shame to spoil the individuality of Princeton and make it just like any suburban town.

Frederick G. Boherts, 120 Lafayette Road, associated with Princeton University: Widening streets will only defer what is essentially needed: that is, a small town equivalent of a beltway. This won't solve anything. Something like this will hurt any residential area, obviously.

Erny Bothe, Skillman, pastor, Church of Christ: No, I don't think so. To an old Princeton resident, it might seem that way, but I don't think it could do anything but help the traffic situation. I'm not as set on keeping Princeton as some people. I'd just as soon have it modern Princeton than old Princeton.

Mrs. Thaddeus Carpen, Rocky Hill, housewife: No, I don't. I don't think people should stand in the way of traffic. You have to have traffic and people should make allowances for this. I suggest you take a survey and find out how many high school teenagers are driving cars and causing this traffic congestion—and yet college students can't own cars. Some are saying, "Keep the narrow streets so people won't come to Princeton." Well, some who work here have to come to come to Princeton. People should make allowances. The

streets they want to widen, the people there have so much property anyway they could afford to widen them. They wouldn't miss it.

Mrs. Charles Stabler, Rocky Hill, secretary: Yes, I think it will hurt its residential qualities but at the same time it will save frayed tempers at 5 o'clock. The question is which is more important.

Mrs. Mary B. Fernholz, 69 Stanworth Drive S., employee, Princeton University: I think it can only help the majority of residents to widen the roads for through traffic. They've already started. They've widened Avalon Place and it sure is a big help.

George Horton, 33 Philip Drive, professor: Yes, I think it would hurt the residential qualities. The wider you make streets the more you encourage traffic, trucks and the like and these have always been the enemy of any residential neighborhood.

Dr. Monica Holmes-Siedle, 159 Carter Road, physician: Yes, I do feel it will hurt because all traffic will then use these wider streets. You're inviting more and more traffic into town.

Stanford Farrand, Hopewell, sales: Thru traffic? Yes, I think it definitely will hurt it.

Mrs. Dorothy Lomant, 218 Halsey Street, housewife: A road's a road. They're all ugly, and widening one by a lane isn't going to make it any uglier. Alexander Street, for instance, is mostly office buildings and service stations, so I don't see where that would be hurt. I do feel, in some cases, such as Elm and Rosedale, they should install traffic lights first rather than widen the streets. Too many cars are converging on Princeton all at once. They'll have to do something as the town grows. The main problem right now from what I've seen seems to be the center of town and all the little streets coming off Nassau Street. The cars are bumper to bumper. You wait and wait and you never get on. Perhaps some residential areas will be hurt but something has to be done soon.

Mrs. Charlotte Schlesinger, 24 Bank Street: Yes, I do. I don't think anything should be done to hurt its qualities. It's so charming. It would be terrible to cut down trees and take them away. They should be wise enough to find some other way. It would be a shame. Princeton has rare charm; it is only one of the few small towns left with such charming qualities.

Mason Woolford, Pennington, chemist: I don't live in Princeton so I can speak for its residential qualities but if you don't do something... today, it was the worst I have ever seen it! Right down town. It's terrible. Something should be done for through traffic.

To the Editor of Town Topics:

In a few words I would like to state my feelings about Princeton. It is one of the loveliest, most unique, and interesting towns in this country. Therefore I am strongly opposed to any plan that will change the patterns and atmosphere of the peaceful, gracious living in the Borough and Township.

To be able to walk easily from one end to another, without wide arterial roads with all the accumulation of noise and fumes is the only possible way we can maintain our peace of mind.

Let us try not to change Princeton, but control the motor vehicles in the town and not ruin our residential areas for all the people who are now living here.

Why cannot Princeton set an example and stand out against the tide of giving priority to the motor vehicle.

What Money Can't Buy.

To the Editor of Town Topics:

Many congratulations to the teenagers and adults involved in the Fashion Show presentation at McCarter Theatre on May 21st.

Our only regret was that even though monetarily the show was a success, the attendance by adults was sadly lacking. Is it possible that we shall never realize that in the realm of moral support, money can never become a substitute for actual involvement?

Comments Clarified.

To the Editor of Town Topics:

Your misinterpretation of my remarks at the May 23rd hearing on the Borough's Master Plan must be attributed to my own lack of clarity.

What I intended to suggest was that the parking garages be located at the center of town, much as the Plan proposes, but that each be accessible only from a U-road brought in from a peripheral loop-highway that would divert all through traffic (including residents driving from one side

of town to another) from the Borough.

Rather than financing the proposed Borough arterials and collectors, why don't we contribute the money to the Township toward construction of their expensive loop-highway proposal? Surely the entire area would benefit if Princeton became a place to come to, live in, rather than drive through.

ELIZABETH B. KASSLER
(Mrs. Kenneth Kassler)
128 Bayard Lane

Of Milton and Family Movies.

To the Editor of Town Topics:

It is disheartening to realize that the ideas against which that early humanist, John Milton, made his magnificent protest in 1644, are still prevalent today. For example, the Family Movie Committee believes

there is such a thing as evil movies, which have the power to corrupt young people. In his "Areopagitica," Milton replied to this sort of thinking by quoting the Apostle Paul: "To the pure all things are pure," and then stated, "Whether of good or evil, knowledge cannot defile . . . if the will and conscience be not defiled. Best books to a naughty mind are not unapplicable to occasions of evil."

The FMC further assumes that there is some beneficial effect to be gained by limiting young people to "wholesome" movies. Milton exposed the fallacy of such notions by stating, "Good and evil . . . grow up together almost inseparably; and the knowledge of good is so involved and interwoven with the knowledge of evil and in so many cunning resemblances hardly to be discerned. What wisdom can there be to choose, without the knowledge of evil? I cannot praise a fugitive and cloistered virtue . . . that never sallies out and sees her adversary . . . that virtue which knows not the utmost that vice promises to her followers and rejects it, is but a blank virtue."

In stressing the evil effects of movies and neglecting the many other possible sources of corruption, the FMC places itself in the position of "that gallant man who thought to pound up the crows by shutting his park gate." Milton pointed out the absurdity of such a position as follows: "If they fell upon one kind of strictness, unless their care were equal to regulate all other things of like aptness to corrupt the mind, that single endeavor would be but a fond labor: to shut and fortify one gate against corruption, and be necessitated to leave others wide open."

We must regulate all recreations and pastimes, all that is delightful to man. No music must be heard but what is grave and Doric. There must be licensing dancers, that no posture, motion or deportment be taught our youth, but what by their allowance shall be thought honest . . . the lutes, violin and guitars in every house must be suffered to prattle as they do . . . our garrets also should be referred to the licensing of some more sober workmasters, to see them cut into a less-wanton garb. Who shall regulate all the mixed conversation of our youth, male and female together?"

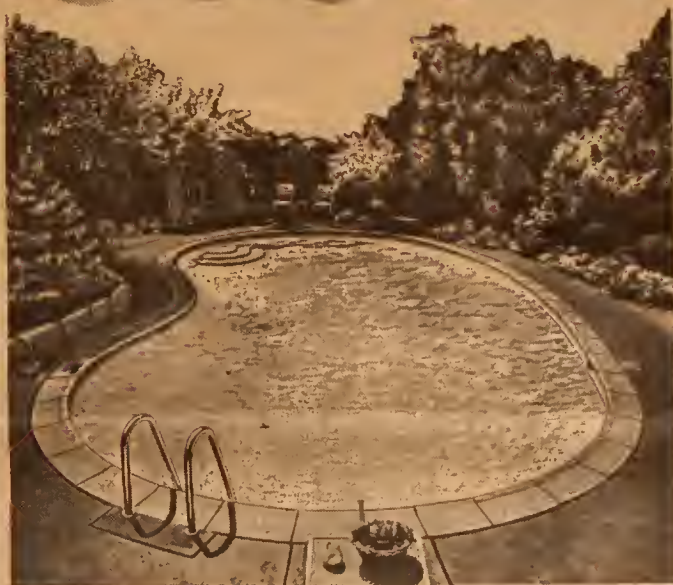

Milton especially emphasized the point that "they are not skillful considerers of human things, who imagine to remove sin by removing the matter of sin," by stating further, "Banish all objects of lust, shut up all youths into the severest discipline that can be exercised in any hermitage, i.e. cannot make them chaste that came not thither so."

Now that the Family Movie Committee has failed in its attempts to intimidate the Palmer Square Association, we may expect that it will turn up next in the guise of a Family Music Committee (No Rock and Roll!) or a Family Clothing Committee (No Miniskirts!) or a Committee to

FLOOR LAMPS
AND TABLE LAMPS

HARRIS
During the last few years, there has been growing emphasis on the decorating aspects of lamps and now you have a available every possible size, style, color and type of lamp for every decorating use.

Actually, the properly selected lamps can be the making of a successfully decorated room in your home.

Aside from an endless selection of table and floor lamps, there is an ever growing assortment of pole lamps and tree lamps on the market.

Of course, the basic use of any lamp is good lighting, but it is equally important that the lamps do something color-wise and decorator-wise wherever they are used.

Tall table lamps on low tables are very popular. That's one decorating suggestion.

We'd be happy to help you with your lamp selection and decorating. You may take advantage of our free decorator service.

were summarily dismissed at the hearing—no replies were made. "The Board might well take a lesson from the Borough Master Plan has been made available for public discussion.

The Board cannot deny that it announced its decision on February 28 without waiting for a report from the Ford Foundation study. This was even before the publication of the State report which was strangely silent on the alternative the Board chose—the complicated Valley Road-Community Park complex.

As recently as last week, the Board had not received State approval for this Valley Road and Community Park complex or to use the John Witherspoon School for high school students at the same time it is used for K-5 grades. Here it is June and none of the major alterations required in the McKenna plan have even been advertised for bids. Yet we are told that it is "too late" to reconsider a radical change in school organization that may affect impressionable youngsters the rest of their lives. Is it ever too late to correct such a mistake before school opens?

There is no point arguing about the merits here. All I ask is that the Regional Board of Education take the community into its confidence and begin to conduct its public business in public sessions. I sense that the Board is eager to get on with the implementation of merger. So am I. It will only hinder the process, however, to make the wrong choice of a middle school plan.

The Board owes it to the people to compare the two alternatives side by side, to compare costs, and benefits of any needed modifications. This has never been done.

BERNICE G. MILLER
(Mrs. William Miller)
116 Wilson Road

(Editor's note: The Ford study was a grant made directly to the architect of the John Witherspoon School, not to the school board, and the architect has never completed it nor returned its revised version to the school board.

Dr. Harvey Rothberg, regional school board member and former Borough School Board member, points out that the study is strictly an architectural one, designed to show how the school might be converted for middle-school use (through additional piping to science rooms, etc.). It is not concerned with whether the building or its land is big enough for middle-school purposes.

Dr. Rothberg says the important thing about John Witherspoon is that the building doesn't have enough rooms. It has 40. For 15 sections of grades six, seven and eight, it would need 45. It would be possible to obtain 43 rooms, but music and art rooms would have to be abolished.

The New Jersey State Department of Education, in its report evaluating Princeton High School, found the John Witherspoon School unsuitable for a middle school because it is too small. Industrial arts, biology, music, special education and gym rooms were found inadequate for junior high use. The plot of land is also sub-standard in size, the report said.

The proposal to use Community Park-Valley Road as a middle school is still in the state department of education assembly line, waiting its turn for consideration.

Mrs. George Frenon, board president, cites two lengthy public meetings (December, January), devoted to public discussion of the middle school. Each was fully reported in all papers. Final board action was taken publicly at the January meeting and each board member as he voted, gave his reasons for approving the proposal. It was a unanimous "yes" vote.)

PEOPLE In The News

Joseph Tempel, son of Mr. and Mrs. Arthur Temple of U.S. 1, near Kingston, will enroll in September as a freshman at Colorado College, Colorado Springs.

Stephen N. Turitzin, son of and Mrs. Nicholas Turitzin, 102 Dempsey Avenue, will explore the Amazon River this summer. He will be a member of an expedition sponsored by the University of California to study aquatic and semi-aquatic animals.

Mr. Turitzin is a graduate of Princeton High School and is currently in his junior year at the University of Pennsylvania. By studying wildlife along the Brazilian River, the young biochemist hopes to learn more about the evolutionary transition of animals from salt water to fresh water to air.

Miss Janet Hughes, daughter of Mr. and Mrs. Alwyn Hughes, 10 Jeffrey Lane, is the new circulation manager of the weekly newspaper at Davis and Elkins College. An alumna of Princeton High School, Miss Elkins is a physical education major at the West Virginia School.

Fred W. Jackson, Eglantine Avenue in Pennington, has been elected chairman of the Farm Electrification Council of New Jersey. Mr. Jackson had served as secretary-treasurer of the organization since he helped establish it in 1947.

U.S. Air Force Captain Steven F. DeRochi, whose wife, Loretta, is the daughter of Mr. and Mrs. Ernest D'Andrea, 28 Hillside Road, is attending Squadron Officer School at Maxwell Air Force Base, Alabama. Captain DeRochi received his bachelor and masters degree in architecture from Princeton University.

Airman Barry R. Adler, son of Mr. and Mrs. Ernest Adler, 13 Model Avenue in Hopewell, has been graduated from aviation mechanical fundamentals school. He studied mathematics, physics and the principles of electricity during the four-week course at the Naval Air Technical Training Center in Memphis, Tenn.

Charles L. Park, son of Mr. and Mrs. Russel Park, 33 Craven Lane in Lawrenceville, has been commissioned a second lieutenant in the Army Reserve. A 1962 alumnus of Trenton Central High School, Lieut. Park received his commission through the Reserve Officer Training Corps upon graduation from West Virginia University.

Danforth A. Cruser, 19 year old son of Mr. and Mrs. John

C. Cruser, 37 William Street, has been promoted to Army specialist four. The 1965 graduate of Princeton High School entered the Army in February 1966 and is currently stationed in Long Binh, Vietnam as a receiving clerk.

David P. Margolis will deliver a paper on "Atmospheric Turbulence in the Laboratory" at the 60th annual Air Pollution Conference in Cleveland on June 16. Mr. Margolis, who resides at 200 Old Hightstown Road, Princeton Junction, is associated with Intertech Corporation.

Seaman Recruit Nicholas Punnett, son of Mr. and Mrs. William Punnett, 892 Princeton-Kingston Road, has completed his Navy basic training. For nine weeks the 18-year old sailor worked under conditions simulating those on a naval vessel, with emphasis on seamanship and military drill.

Christopher Bush, son of Mr. and Mrs. George Franklin Bush, 391 Nassau Street, has been elected to the Student Council at Blair Academy. Young Bush also serves as dormitory prefect and is the headmaster's choice of senior boy to instruct freshmen in Academy traditions.

Julia Fremon, daughter of Mr. and Mrs. George Fremon, 311 Western Way, has been given the Howell Murray Award at the University of Chicago. Miss Fremon was one of ten graduating seniors to receive the prize for extracurricular contributions at the University's 11th Annual Honors Award Assembly.

Two Princeton boys have been awarded freshman fencing numerals by Princeton University. Competing on the team that posted a 9-3 record were Carl F. Morgeostero, son of Mr. and Mrs. Oskar Morgestern, 94 Library Place, and Theodore Sieja, son of Mr. and Mrs. Stanley Sieja, 149 Terhune Road.

Dr. Frederick H. Harbison, Princeton University expert in manpower economics, has been named Roger Williams Straus Professor of Human Relations at the University. Dr. Harbison, director of the Industrial Relations Section, is the first incumbent of the chair which will have an eventual endowment of \$1 million.

A member of the Princeton class of 1934, he joined the University's faculty in 1955 after 15 years at the University of Chicago. The economics professor has been a consultant to the U.S. Department of State and the U.S. Department of Labor, the United Nations and the Organization of American States.

BASKETBALL MAKES NEWS
To the Old-Season. Ever since Bill Bradley set a national collegiate record for consecutive foul-shooting as a freshman at Princeton, basketball here has had a share of the national spotlight. This week, it continued to make news more than two months after the season had ended.

The current items:
• A farewell dinner for Coach Bill van Breda Kolff, at which his successor, Pete Carril, will also be honored.
• Appointment of Art Hyland, member of two Ivy championship teams here, to the coaching staff, effective next fall.

• Letters of regret from a half-dozen prospective members of the Class of 1971, all apparently top college material, who decided during the ten-day interval between van Breda Kolff's resignation and Carril's appointment that Princeton would not be a part of their basketball future.

The Princeton Area Alumni Association, under the guidance of Jack McCarthy '43, will sponsor a cocktail party and dinner Tuesday at the Princeton Inn for van Breda Kolff and Carril. Butch leaves this month to begin his duties as coach of the Los Angeles Lakers.

Tickets may be obtained from Charles Straut Jr. '47, treasurer of the alumni association, at the Princeton Bank and Trust Co. The association's other officers are John Platten '38, president; Russell Gray '23, vice president; and Bruce French, a Graduate School alumnus, secretary.

Hyland Two-Sport Athlete. Named as an assistant to Carril in basketball, after having spent the past year working with van Breda Kolff in the same capacity on a part-time basis, Hyland will also aid Ferris Thomsen in lacrosse. He became proficient as a defenseman in the latter sport in college despite no previous experience and in his three varsity years was a member of five championship Ivy teams — two in basketball and three in lacrosse.

The 25 year old native of Lansdowne, Pa., captained the 1963 basketball team and is one of six Princeton players to top 1,000 points in his career. (The others: Bud Haabstad '55, Carl Belz '59, Jim Brangan '60, Pete Campbell '62 and Bradley.) For the past year, he has coached basketball and lacrosse and taught physical education at the Princeton Day Schools.

A GOING-AWAY PARTY will be given for Bill van Breda Kolff Tuesday when he and his successor, Pete Carril, will be guests of honor at a dinner at the Princeton Inn.

Would They Have Come? No one will know what might have been, but it is more than coincidence that during the ten days that Princeton was with out a basketball coach, six schoolboys who had been admitted here reached decisions to go elsewhere. The May 1 deadline for advising many colleges, including all eight in the Ivy League, of their intentions occurred between the van Breda Kolff and Carril regimes.

The six and the colleges they have reportedly selected are: Dick De Venzio, 5.10%, Ambridge, Pa.; Duke; Ivan Brown, 6.8, Jacksonville, Fla.; Southern California; Jim Masterson, 6.8, Walnut Grove, Minn.; Minnesota; Van Oliver, 6.7, Cincinnati; Vanderbilt; Mike Jajewski, 6.6, Bridge-water; Raritan, Harvard; and Tim Kramer, 6.4, Trenton Penn.

Disappointed Princetonians are asking, "Who wants a guy who picks a college because of the basketball coach?" Actually, there is no clear indication that any of the six would have come here for sure, had the change in coaching not occurred at a time that was disadvantageous from Princeton's point of view.

The true indication of where Tiger basketball is heading in the next few years will come with the admissions picture next spring. It is the one sport in which strong back-to-back freshman teams are not essential and with Jeff Petrie, John Hummer, Mike Merdy and several other highly-promising freshmen joining the varsity next fall, the question will revolve around Princeton's fortunes with the Class of 1972.

Sports In Princeton

—Continued from Page 26
Strubing Field, Rider (27-6) will oppose Ithaca College (16-2). The twin facilities are unequalled in this section of the nation, and this will mark the fifth straight year that the event has been staged in Princeton.

Of the four, St. John's, Penn State and Ithaca have all made it to Omaha, where the College World Series will begin the following week with representatives from each of NCAA's districts participating. St. John's, the defending champion, advanced to the fourth round last year; Penn State won here in its last appearance in 1963, while Ithaca went west the previous spring. District II is, incidentally, the only one never to have won a national championship.

Probably the best bet to win the three-day tournament here is Rider, the Middle Atlantic Conference champion. Coached by the capable Tom Petroff, the Broncos will have five regulars batting over .300 when pitcher Bob Koehler is in the lineup.

Pitching Is Strong. Koehler bats .324, is 9-0 on the season with an ERA of 1.65. He, Captain John Merten and Larry Mischik have a combined won-lost average of 22-3 and head a pitching staff with an overall era of 7.49. As a team Rider battled a fine 281.

Expectations are that it will top Ithaca in the first round, having benefitted from a much tougher schedule. The New Yorkers lost their two games with Seton Hall and Villanova and a number of their 16 triumphs were not recorded against the top teams in the district. Whether their fabulous team batting average of .324 will stand up against the strong pitching Ithaca will face this weekend remains to be seen.

The meeting between St. John's and Penn State should be a topflight exhibition of college baseball. Unlike Rider, each of these teams presents only one .300 hitter — Shane Moore for the Redman and Dave Fore of East Brunswick, the Penn State outfielder who is batting .361.

Both, however, have a strong

defense and good pitching. One of the top hurlers to be seen here will be St. John's Richie Napolitano, who in 63 innings has struck out 105 and allowed only two earned runs for a near-unbelievable average of 0.28. Wayne Stack, the Brooklyn nine's shortstop, has six home runs and 31 RBI's to his credit, ranking among the top ten college hitters in the nation.

State on a Streak. Of the four entries, Penn State may currently be the hottest, the Nittany Lions having atoned for a slow start which saw them lose six of their first nine regular-season games by winning 12 of their next 13. Any confrontation with Rider may, however, find them working against a mental block created by loss of a doubleheader to the Broncos in April.

State Coach Chuck Medlar may have the best pitching depth of the four tournament teams. Among his seven hurlers are five, he says, any one of whom can work as a starter.

Thursday's winners will meet at 1 o'clock Friday on Clarke Field, with the first day's losers playing Friday at 1 on Strubing Field. The teams which have 1-1 records after two games will then play at 4.

The survivors will play Saturday at 1. If, thereafter one team has a 3-0 mark, all others will have lost at least twice and will be eliminated. However, if the results of Saturday's first game finds the remaining teams with identical 2-1 records, they will square off for a second meeting 20 minutes after the first game ends. Darkness or rain will propell postponed action into Sunday.

TICKETS AVAILABLE

To Giants-Eagles Classic. Tickets are available to the annual Jaycees Classic Football game between the New York Giants and the Philadelphia Eagles to be held September 2 in Palmer Stadium.

They may be obtained from the Varsity Sport Shop, 124 Nassau Street; Hinkson's, 82 Nassau; the University Store, 36 University Place; and Cousins Liquor Store, 51 Palmer Square. Prices are \$7.50, \$5.00 and \$3.50.

Last year, the Princeton Jay-

cee Chapter earned more than \$3,000 for charities from the sale of tickets. Among the agencies benefited were the Public Library, Youth Employment Service, First Aid and Rescue Squad, Family Service Agency, the Junior Museum, Midget Football League, Princeton Chapter of the Red Cross and the Mercer County Unit of the N. J. Association for Retarded Children.

SEASON ENDS

For Harried Stickmen. It was, to say the least, an unlucky season for the Princeton High School lacrosse team: 13 games, 13 defeats.

The Little Tigers closed out their long campaign with a pair of 8-4 setbacks, one to George School last week and again to Lawrenceville in its finale on Friday. Scoring single goals in the last game for the losers were Huston Webber, Bob Cooper, Clint Olson and John Steiger.

Coach Bob Arbogast will lose

co-captains Paul Rice and Steiger and Brian McCarthy in attack, midfielder Mark Hoffman and defencemen Alan Downer and Rick Sisco.

Looking ahead to better things next year, Arbogast reported that PHS should develop into a stronger squad. "A lot of the boys that haven't been mentioned and some on the jayvee squad have been coming along," he said. Lack of experience was probably the one area that hurt the team more than anything else this season.

Part of the problem was a dearth of coaching. Although he had a squad numbering close to 50, Arbogast had to coach the varsity and jayvee squads by himself. By necessity, the jayvee squad had to be slighted and whenever he tried to bring a boy up, it was "almost like bringing them up fresh," said Arbogast.

WOOD, MOOMAW HONORED
As PHS Top Athletes Seniors Tom Wood and Dave Moomaw were named recipients of Princeton High School's three top athletic awards last week at the school's annual Athletics Awards Program.

Wood, son of Mr. and Mrs. Richard H. Wood, 35 Maple Street, was named as the coaches' selection for All Round Athlete. He also received the William D. Wolman Basketball Memorial Award. The All Round Athlete Award is presented to the senior who participates in two or more sports on a varsity level and demonstrates qualities of sportsmanship and school citizenship.

The Wolman Award is presented "To that member of the Princeton High School basketball team who, by outstanding play, distinguished sportsmanship and gentlemanly influence has best exemplified the qualities of William D. Wolman, member of the Princeton High School basketball team from

Dave Moomaw

1932-36 who gave his life in line of duty at Okinawa while serving as an officer in the USNR in 1945."

The 6-5, 210-lb. Wood dominated the sports scene this year. He was a co-captain of the football team, which is coached by his father, Richard Wood, and was named to the All Mercer County team as an offensive end.

leading pitcher on the baseball team to be coached by Tony Borok and he is the leading pitcher on the baseball team—having won all but one of the Little Tigers' seven victories.

Moomaw is the son of Mr. and Mrs. J. Edgar Moomaw of Dutch Neck. He was awarded the Jerry Cypress Award, presented to "the senior track performer who through his outstanding play and inspiring character, has contributed the most to the Princeton High School track team."

A middle distance runner in his junior year, Moomaw switched to the 100 and 220 yard sprints this spring, where he has been a consistent winner. He is co-captain of the team.

FREMUTH WINS ANOTHER

Pitches Second Shutout, Mike Fremuth, Princeton sophomore right-hander, can hardly wait until next year. After all sorts of control trouble in the early weeks of the season, much of it traceable to the prolonged cold weather, he has hit his stride so well that he has pitched back-to-back shutouts and has allowed only two runs in the last 27 innings he has worked.

After a three-hit whitewash job May 16 on Navy, during which he gave up only three hits, Fremuth tossed a one-hitter against Lafayette Saturday. Blanking the Leopards, 11-0, he walked only three, fanned 11 and during the middle portion of the game retired 15 men in a row.

The no-hitter went down the drain when the leadoff batter in the eighth lined a clean single to center. No Lafayette runner reached third as the Tigers used the one-side triumph to draw within a game (10-11) of the .500 mark.

A seven-run third, which produced seven singles plus two misplays by the visitors, sealed the verdict early. A three-run fifth made it a rout.

Joining Fremuth in the "wait 'til next year" club is another sophomore, second baseman Jim Adams. After being benched when he had produced a lone hit in his first 22 at-bats, he came up with four straight safeties, one of them a triple.

Princeton will go to Easton Saturday for a return encounter with the Leopards and junior Steve Cushman will seek to nail down the victory that will give the Tigers a 500 record for the season. The following week, an exhibition game with the alumni will be played in lieu of the traditional meeting with Yale.

TRACKMEN AT RUTGERS
For Annual State Meet. Princeton High School's track team ends its season Saturday when it will participate in the annual State Meet at Rutgers University Stadium. PHS is the defending Group 4 State champion.

Best bets to score for the Little Tigers this year are Dan

Tom Wood

Tindall and Nelson Warner. Tindall has thrown the javelin 233 feet, 11 inches and Warner has leaped 13½ in the pole vault—both new school records.

At the South Jersey Group 4 meet Saturday at Asbury Park, PHS finished fifth in a field led by Ewing, which has dominated the sport this spring in Mercer County.

For PHS, co-captain Keith Conover captured the javelin with a toss of 193 feet. Keith has been overshadowed by Tindall this year but Coach Gerald Groninger reported that Conover has thrown over 200 feet in practice and may surprise at the state meet.

Tindall, bothered by a sore elbow, did not participate. Groninger said that he did not want to risk aggravating Tindall's sore arm more than necessary and decided to rest him until the state meet.

Warner tied Hamilton's ace vaulter Jack Crayneck for first place in the vault, each jumping 13 feet, but the latter was awarded first place on the basis of a better throw.

 is of fewer misses. Warner's coach, Dick Wood, said that Nelson just missed clearing 13-6 on one effort. Senior Dave Stair jumped 11-6 for his best performance.
 Co Captain Dave Moomaw was third in the 100 and fifth in the 220. John Kosco was fourth in the mile.

Earlier in the week, PHS finished last in a field of six at the New Brunswick Invitational.

In scoring only 14½ points, the best the Blue and White could point to was a second place by Conover in the javelin. Weather conditions were less than perfect but Groninger nonetheless commented "it was our poorest performance of the year by far."

THORNE'S GAINS
 In Windsor Little League. With a 21-3 victory last week, Thorne Pharmacy protected its undefeated season and its hold on first place in the West Windsor Little League. The win over the Lions Club all but clinches the first-half title for Thorne. Charlie Fanning, hitting safely in four of five at bats, paced Thorne's 19-hit attack. Striking out 13 batters, Denny Clark limited the loser to three hits.

In other league play, First National Bank upset Ellsworth A.C. by eking out a 4-2 victory. Credit for the win went to Kevin Tylus who held the usually heavy-hitting Ellsworth club to two safeties.

In addition to striking out 11 batters, Tylus paced First National Bank's scoring attack along with Robbie Duncan. The win is the Bank's first against five defeats.

Craft Cleaners climbed to the .500 mark in the standings as it swamped Edinburgh Hotel, 15-1. Ned Fry, Keith Holcombe and Ron Tindall provided the muscle in Craft's batting lineup.

Larry Martz, posting his third victory of the season, was the winning pitcher. Weather permitting, the first half of the season will be completed by Saturday.

The standings:

	W.	L.	Pct.
Thorne Pharmacy	5	0	1.000
Ellsworth A.C.	3	2	.600
Craft Cleaners	3	3	.500
Edinburgh Hotel	2	3	.400

TOURNAMENT PLANNED
 For Young Tennis Players. Registrations for the Jaycee Tennis Tournament must be filed this week. Tournament action for the 12 to 14-year old division starts Monday at 3:30 at Community Park.

Winners will be eligible for the Jaycee State Tennis Tournament. The competition to be

held in Princeton this summer, will bring together top junior tennis players from all over New Jersey.

Registration forms and further information are available from Steve Spiegle at the Varsity Sport Shop, 124 Nassau Street.

PHS NETMEN OUSTED
 From State Tourney. PHS, which finished its season with an 8-3 mark, was ousted in the first round this weekend in the annual Group 4 high school state championship tournament held at Princeton University. Wayne eliminated the Blue and White, 3-0.

Coach Bill Humes loses only one through graduation—Henry Sommers, the number one singles player. Back will be singles players Ted Fritsch and Mike Jameson and the doubles team of Bill Carroll and Ted Ford, Scott Raum and John Panzer.

Also departing—for one year only—will be Humes. He will attend Rutgers University next year on a fellowship.

REGISTER NOW!
 For Summer Tennis Classes. The Princeton Community Tennis Program has drawn up its summer schedule. Classes will be held from June 19 through August 25, and registration is now open.

Tennis players can participate on a weekly basis if their vacation plans conflict with the sessions. An early June session—running from two weeks after June 5—is open to private school students.

Men's and women's classes will be available as well as classes for boys from third grade on up, and girls from fourth grade. There will be an experimental clinic for first and second grade boys and second and third grade girls. William Humes, Princeton High School tennis coach, has prepared a special course for this clinic stressing pre-tennis skills and eye-hand coordination drills.

An intensive five-day-a-week program for advanced players on a tournament or varsity player level will be offered under the direction of Princeton University tennis coach John Conroy.

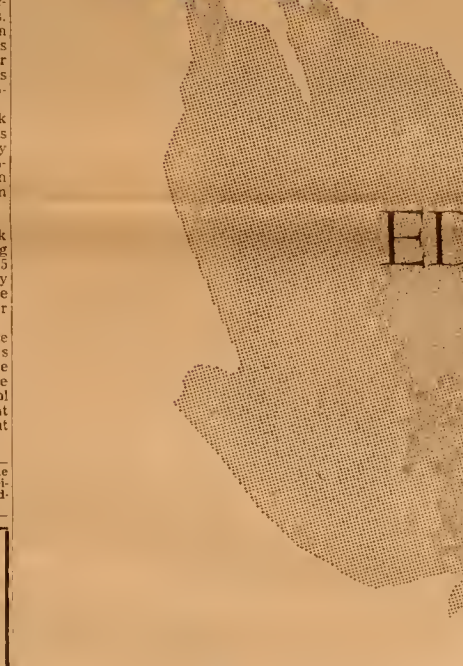

Some 800 students per week have participated in the spring program, under a staff of 75 instructors. The Community Program is anticipating the same demand for the summer classes.

Further information may be obtained from Mrs. Lewis Craft, Ridgeview Road. The summer bulletin is available from Mrs. Kraft, any school tennis coach, from the Joint Recreation Board office or at Community Park courts.

Your children deserve the benefits of a higher education. In today's world they may be penalized by not having the opportunity.

If you count on their ability to win a scholarship, it might be surprising to know that only 1 out of 5 students secures a scholarship and the average benefit is less than \$300. a year. College and university costs are many times that amount.

Right now is the time to shape a savings program to pay the costs of advanced education for your children. A program based on average college and university costs starts right here at your personal service bank. TWO STILL UNDEFEATED
In Business Softball League. Two teams in the Business Softball League finished the month of May unbeaten. Columbian Carbon leads the Eastern Division with a 5-0 mark; RCA Astro has won all four games it has played in the Western Division.

An 11-0 victory over Hopewell TV was Columbian Carbon's fifth in a row last week. Ed Ward picking up the victory on a three hitter. Charlie Arment and Jim Chiorello hit home runs during the contest.

Accelerator dropped out of the unbeaten ranks in the Western Division when it was edged, 6-5, by American Cyanamid in a game which saw the lead change hands four times. For the victors, Neil Spiegelmeyer had three hits in four at bats while Murray Garber, the winning hurler, batted .500 and scored twice. Joe McFadden of Accelerator also scored the plate twice and had a three for four performance.

RCA Labs A, tied with Shell Chemical for the runner-up spot in the Eastern standings, conquered WTS Pharmacraft, 17 to 8, on the strength of 21 hits. Don Pulitork and Ron Infanti each had three RBIs, while Lou Baldassari and Bill Goddard paced the losers' attack with two hits apiece.

ERC defeated the Telephone Workers, 15 to 5, Don Walinski coasting to the victory on the strength of three five-run innings. Frank Panella and Don Machusak hit for the distance. In a well played, low-scoring game, ETS topped National Computer Analysts, 5-3. Jack Diwerth burling well in the clutch situations, while "Bones" Gilbert was a defensive standout in left field. The victors pushed all their runs across on six hits in the third and then staved off a last ditch NCA rally.

RCA B trounced luckless FMC, 33-0, manager Tom Ward scattering nine hits for the victors. All Thursday games last week were washed out, adding to the problem created by a sizeable number of postponements.

PDS TIES HUN

In Finale, 4-4, Princeton Day School's baseball team almost but not quite managed to end its season with a .500 record.

In its finale last week against the Hun School jayvees, the game was called after eight innings of play with the score tied, 4 all. As a result, Coach Wes McCaughan's squad ended with a 4-1 mark.

Next year, things may or may not be a lot tougher for

Junior Baseball to Start

Contracts are now available at the Princeton High School Athletic Office and the YMCA office on Avalon Place for the YMCA Junior Baseball League. The league is for boys 13-15.

Members of last year's teams who are still eligible are urged to get their contracts in early so that new members can be assigned to teams on an equal basis. All contracts should be in the Y office by June 10.

League games will start June 26, with an all-star game scheduled to be played July 4 at 1:30 on the high school diamond. All league games will start at 6:15.

PDS. The big plus of having everyone return—PDS will not have its first graduating class until next June—will be offset by its having to compete on a varsity level.

Against Hun, PDS scored single runs in the first, second, fifth and seventh innings, mainly on the hitting of Frank Andrews, Erik Haggen, Craig Page, John Claghorn and Bill Rigot. Hun tallied all of its runs in the sixth with the aid of a series of PDS errors.

Claghorn and Page shared the mound for PDS and recorded 13 strikeouts between them. PDS outlived Hun, 8 to 4. Final batting averages compiled by manager Gil Farr place rightfielder Tom Spain on top with .313. Rigot finished with .291, Claghorn, .250; Page, .230; and Haggen and Rich Raines each, .200.

FINALE FRIDAY

For PHS Nine, an in-and-out season for the Princeton High School baseball team will end Friday afternoon at Hunterdon Central.

Because the game falls on the day of the senior prom, the Little Tigers will travel to Hunterdon County minus seniors Tom Wood, Tim Haigh, Rich Volz and Mark Fischer, all starters. Coach Harry Zoll's squad is currently all even with an 8-8 record.

In its final home appearance, last week, the Blue and White stopped Somerville behind the pitching of Tom Wood. Wood struck out 15 and gave up only two earned runs to lead PHS to a 7-5 victory. The win was Wood's seventh; he has lost four.

Somerville (12-7-1) touched Wood for six hits including a triple and home run in the early innings to take the lead. Then in the fifth, a throwing error by shortstop Dave Drake allowed two more unearned Ram runs to cross the plate. Tim Haigh's bobble had permitted another unearned Somerville run in the third.

Both, however, atoned for their play afield. Haigh, who went three for four at the plate, led off Princeton's half of the last inning with a triple. After Nick Ryan had gotten on via an error by the Somerville shortstop, Drake doubled both home with the winning runs.

PHS batted around in the

third, scoring three runs. Singles by Fischer, Haigh and Volz were the offensive blows struck during the uprising. Wood and Haigh singled home Princeton's other two runs.

Lose in Extra Inning. Earlier, PHS dropped an eight-inning contest to Franklin, 3-2, on the latter's home field. Franklin combined an error, walk and single after two were out in the eighth to score the winning run. It was only its fourth victory in 19 games.

Tom Butterfloss (1-3) gave up five hits in absorbing the loss. He and Wood singled around a sacrifice to give PHS one of its runs in the second. Haigh circled the bases in the fourth for the other run. He walked, advanced on an error, stole third and came home on another Franklin miscue.

Springer Leading Hitter. Although he has gone hitless in his last 11 appearances, outfielder Jay Springer continues to lead the team in hitting with a .318 mark. Other averages compiled by team manager Tom Lechner place Fischer second with .296 and Haigh third with .289.

BOWLING NOTES

Taps Win Title. Taps, winner of the first half in the Blue Angels League, captured the second half as well last week to win the championship.

Taps finished the second half with 42 points, seven more than second-place Hi-Lo's. Exports and King Pins were third and fourth. Members of the winning team are Harry Cahn, Gordon Griffin Jr., Jim Silvester and Brandon Steechini.

In the final week of play, Cahn and Silvester rolled 195s.

Tom Wood had 190 and Craig Donaldson, 178-174.

All of the leagues at the Princeton Recreations Lanes have finished their season. They will resume after Labor Day.

PETTY SETS NEW MARKS

In Lacrosse At Hun, Senior Tom Petty has set new Hun School lacrosse scoring records for one year and three years.

His 36 points this season broke the previous record of 26 set in 1962 by Pete Savidge. Tom's three-year output of 68 points bettered by 13 the 55 scored in 1965 by another of the renowned four Savidge brothers, Mark.

As a sophomore, Petty tallied six goals. This jumped to 23 and three assists in his junior year and 35 and one in his senior year.

After a fine start, Hun lost its last three games to finish with a 6-5-1 record. It ended with a 6-1 setback to Lawrenceville and a 10-6 reversal in its finale with George School. In the latter, Petty had four of Hun's six goals.

Named co-captains of next year's squad are Mark Levine of Trenton and Chip Hosford. Hawley Waterman is the coach.

HUN LOSES FINALE

Finishes Second in League. The Hun School baseball team ended its season last week as it began—suffering a defeat by Pennington. The Red Raiders cashed in on three unearned runs in the sixth inning to up end the Johnny Huns, 10-7.

Knocked out of contention for honors in the Penn-Jersey League by the last-game loss.

REGISTER NOW
 For YMCA Day Camp. Registration is under way for the 12th summer YMCA Day Camp.
 Applications are now being accepted at the Y office on Avalon Place for the following four periods: June 26-July 7; July 10-22; July 24-August 4; and August 7-18. Campers will begin with assembly at 8:50 and then be transported by bus to the camp after the morning swim. The day will end at the Y building at 4:20. Complete information is available at 924-4825.

Brian Smith, who has taught arts and crafts at the Y for the past year, has been named assistant director of the camp. He has previously directed day camps in Virginia and Pennsylvania.

COMMUTERS UPSET
 With PJ and B. One man summed up the conditions at the stations on the Princeton-Princeton Junction spur line as "dismally primitive." And most commuters agree with him.
 They expressed their criticism in the "Rail Commuter Survey" conducted by the Princeton Chamber of Commerce. More than 400 of Princeton's estimated 1,000 commuters replied to the questionnaire.

The majority of riders seemed to be reasonably happy with the service provided by the Pennsylvania in moving

commuters from one spot to another. Two out of three, however, rated the condition of the cars as "fair to poor." And four out of five condemned the stations with regard to general cleanliness and comfort.

They rated the lighting at the stations as only fair and some 40% called in poor. One out of every two commuters criticized security at the stations as poor, while an additional 25% termed security fair.

The survey prompted William A. Lashley, the Pennsylvania Railroad's vice-president for public relations, and Charles Ingersoll, assistant vice-president, to accept speaking invitations in Princeton. They will address a special June meeting of the Chamber's Board of Directors.

Chamber President Melvin Firman hopes that the meeting will point out the need for upgrading Pennsylvania passenger traffic. He said that such action would include "improved stations, replacement cars, high-speed and feeder lines, and such basic matters as lighting, security and parking at the stations."

Miscellaneous suggestions made in the survey included more protection from bad weather, better snow removal and more accurate announcement of train delays on local radio, with speaker systems at the stations making the same announcements. Others felt there should be more non-smoking cars and better enforcement of the non-smoking rules.

The Pennsylvania Railroad has already started experimenting with methods to improve its service — one method being the train which clocked 156 miles per hour through Princeton Junction a week ago. Princeton commuters have indicated that another method would be to improve seriously deficient rail stations.

"A WET MAY MAKES HAY"
 Bring a Spoon for June? All this wet, cold May weather will vanish on Thursday. We have that assurance from David Ludlum, Princeton's weatherman, who reminds us that on Thursday, May will be over. Want to bet on a wet June?
 It was probably the second coldest May on record, Mr. Ludlum thinks, relying on a very reliable memory indeed. The coldest was 1917.

graph shows that February, March and April were below normal, too, although not exceptionally so. May averaged five to six degrees below normal each day of the month, and that is abnormal indeed.

We have been cold and wet chiefly because we are north of the Virginia Carolina storm tracks, which have persisted in those tracks for some time now. Also, as everybody guessed, we had all that bad weather last week as a fringe result of the storm that wham-ined New England. The effects of that storm were felt here in Princeton from Monday all the way through Friday, Mr. Ludlum states.

That lovely weekend? Just a two day coffee break between storms. Got all the way up to 80 both days.

Mrs. Rhea P. Williamson, 78, co-founder of the Westminster Choir College, died on May 26 in Scranton, Pa.

Mrs. Williamson and her husband, Dr. John Finley Williamson, founded the college in Dayton, O., in 1926. The Westminster Choir was established by Dr. Williamson six years before while serving as director of music in the Westminster Presbyterian Church of Dayton. The Choir College came into existence to meet church demand for Williamson-trained choral leaders.

It was moved to Ithaca, N.Y., in 1929 and to Princeton in 1932. The college trains undergraduates in choral and liturgical music and is noted for its unique Westminster Choir which has toured extensively in this country and abroad, has twice been called to the White House and has served as "ambassador of good will" to the Soviet Union at the request of the Soviet Union.

Mrs. Williamson served as dean of the college, retiring in 1958. Her husband, who retired at the same time, died in 1964. She had been living for the past two years with a daughter, Mrs. Mark Thompson of Scranton.

Also surviving are another daughter, Mrs. Clyde Holt of Trenton, and a son, John Williamson Jr. of Trenton.

A memorial service will be held in the Westminster Choir College Chapel at 10:30 a.m. this Thursday. Dr. Lee H. Bristol, president of the college, will officiate.

G. Beveridge Aaron, 54, of the Princeton-Kingston Road, died on May 23 of a heart attack at the home of friends on East 57th Street, New York City. He was a corporate counsel of the Mohit Oil Corporation.

Born in New York City, Mr. Aaron was an alumnus of Yale University Class of 1934, and received his LL.B. from Columbia University in 1937. He became a deputy assistant district attorney of New York County joining in 1951 the Socony Vacuum Oil Company, since renamed the Mobil Oil Corporation. During 1958-59, Mr. Aaron was in Istanbul, Turkey, as the company's coordinator.

A widower, Mr. Aaron is survived by two sons, G. Beveridge Jr. and Richard; four daughters, Paige, Willie, Julia and Temple; two brothers, Fletcher of Bridgeport, Conn., and Holmes of Concord, N.H.; and a sister, Mrs. Wellesley Smith of Salisbury, Conn.

A memorial service was held in All Saints Chapel of Trinity Episcopal Parish, the Rev. Harry I. Lauer, vicar, officiating.

Mrs. Mabel E. Dorsey, 78, of 318 Woodland Street, formerly of Princeton, died on May 23 in Mercer Hospital after a lengthy illness. She was the widow of Thomas F. Dorsey.

A native of Albany, N.Y., Mrs. Dorsey lived in Princeton for 30 years before moving to Trenton 20 years ago. She was employed by Emil's Bake Shop until her retirement. She was a member of the Immaculate Conception Church PTA, and

the Auxiliary of Boy Scout Troop 22.

Surviving are four sons, Walter E. and Thomas E. of Trenton, Joseph of Chester, Pa., and Arthur F. of Dover, Del.; three daughters, Mrs. Paul Silagay and Mrs. George Gibson, both of Trenton, and Miss Patricia Dorsey, at home; 19 grandchildren; a brother, James Lenegher of Buffalo, N.Y.; two sisters, Miss Catherine Lenegher of Buffalo and Miss Agnes Lenegher of Utica, N.Y.

The service was held in the Kimble Funeral Home, followed by requiem high mass in Immaculate Conception Church. Interment was in St. Paul's Church cemetery.

Chester W. Pullen, 73, of 11 Outlook Street, Hightstown, died on May 24 in Princeton Hospital. A retired farmer, he was a native of Clarksburg and a lifelong resident of the Hightstown area.

Mr. Pullen was a member of the New Jersey State Farm Bureau, and Clarksburg Methodist Church, and a former member of the Hightstown Grange.

Surviving are one son, Charles C. Pullen of Bethlehem, Pa.; two daughters, Mrs. David Baird of Cream Ridge and Mrs. Leonard Hopkins of Hightstown; a brother, Harvey Pullen of Hightstown; two sisters, Mrs. Elizabeth Kramer of Cream Ridge and Mrs. Esther Merrick of Allentown; and 13 grandchildren.

The service was held in Allentown, the Rev. Earl C. Snyder of the Allentown Methodist Church officiating. Interment was in St. Rose of Lima Cemetery, Freehold.

Mrs. Sadie E. Ewart, 74, died on May 24 at her home, 148 Broad Street, Hightstown. She was the widow of Elmer E. Ewart, mayor of Hightstown from 1922 to 1934.

Mrs. Ewart was a member of the Hightstown Chapter 103, Order of the Eastern Star, and the Hightstown Presbyterian Church.

Surviving are a daughter, Mrs. Charles W. Tyndale of Trenton; a granddaughter, two great-grandchildren and a sister, Mrs. Ethel Ewart of Hightstown.

The service was held in Hightstown, the Rev. David P. Moyskens of the Presbyterian Church officiating. Interment was in Cedar Hill Cemetery.

C. Durling Agin, 73, of 20 Louellen Street, Hopewell, died May 28 at his home. A resident of the Hopewell area for 53 years, he was a retired employee of the Rockwell Manufacturing Co.

Mr. Agin is survived by his wife, Mrs. Mary Ryan Agin; three sons, Roger H. of Vineyard, Jack R. of Franklin Park and Harold W. of Hopewell; four sisters Mrs. Myrtle Spencer and Mrs. Gwendolyn Spencer of Hopewell; Miss Lucinda Agin of Lambertville and Mrs. Caroline Stout of Florida; and four grandchildren.

The funeral will be held Thursday at 9 a.m. at the Cromwell Memorial Home. Hopewell. Requiem high mass will be celebrated at 10 in St. Alphonsus Church, with burial in the parish cemetery.

CLUB TO PICNIC

At River Road Shrine Club. The Princeton Chapter of the American Association of Retired Persons will hold its second annual picnic this Thursday, June 1. The picnic will be held at noon at the Princeton Shrine Club, River Road.

The event will serve as the final meeting of the spring season for the Princeton Chapter. There will be no meetings in July and August.

Members are invited to bring relatives and friends. Every party must provide its own food, although coffee and tea will be served. In the event of rain, the picnic will move into the club house.

LATIN HONORS WON

By High School Students. Two Princeton High School Latin students — Susan and Thomas Graham — achieved perfect scores on a nation-wide Latin exam. Competing with some 83,000 students around the world, Susan scored 120 out of 120 possible points in the third-year Auxilium Latinum contest.

Her brother repeated her perfect performance in his second-year exam. The contest was sponsored for the 36th year by the Association for the Promotion of the Study of Latin.

In the overall results of the test Princeton High School students averaged scores some 50 points higher than the national median. The two Grahams and other area students receiving scores above 115 — received certificates of superior merit.

Sports In Princeton

—Continued from Page 30

Hun finished second with a 6-4 record. Ironically, the apparent champion, Bryn Athyn, was defeated twice by Hun.

Hun was the defending league champion. In addition to twin setbacks at the hands of Pennington, it dropped league contests to George School and Germantown Friends. Overall, its mark was 6-7.

Against Pennington, Ken Kelly took the loss for Hun but Coach Sandy Bing reported he was the victim of "some pretty poor support." Two key errors allowed five unearned runs.

The most damaging miscue came in the sixth with the score tied 6-6. Hun having batted back from a three-run homer by Pennington in the first inning. With the bases jammed, a throw to the Hun first baseman pulled him off the bag into the path of the Pennington runner.

The latter crashed into the stretching Hun first-sacker, knocking the wind from him. By the time Hun had recovered the loose ball, three Pennington runs had scampered home.

Looking Back. In essence, 1967 was a building year for Hun. Bing fielded a team comprised almost entirely of underclassmen. Considering the inexperience and the lack of a home field this season — a tremendous handicap — Hun performed well.

"Everybody's back with the exception of a few. The whole pitching staff will be back so I'm optimistic about next year," said Bing. "Another reason for optimism is that we will have our own field to practice and play on."

Lost via graduation will be catcher Mike Simko. Bill Kehoe, a first baseman-outfielder, and outfielder Joel Towbin. "Simko will be tough to replace. He was an outstanding leader, there's no question about it," commented Bing.

"Kehoe was a real fine player day in and day out. He'll be missed."

A free booklet to answer your questions about Annuities

There comes a time in most men's lives when a guaranteed income is more important than the hope of capital gain.

And that's exactly what annuities from Manufacturers Life offer. They provide an automatic, guaranteed income for life.

People have asked us many questions about annuities in the past. Important questions such as: Can I arrange for some of the money to be returned to my estate if I die early? Is there an annuity that will transfer the income to my wife if she outlives me? How do annuities affect my income tax? Is an annuity a practical way of supplementing Social Security and other retirement income?

To provide you with the answers we have published an easy-to-read, easy-to-understand booklet called "Annuities... the key to a golden age." It's yours for the asking, without obligation. Just fill in and return the coupon below. And if you would like to discuss annuities with someone, you couldn't find a better person to talk to than the Man from Manufacturers.

NEW JERSEY BELL

HEADS FUND: The appointment of the Rev. C. Shelby Rooks as executive director of the Fund for Theological Education, Inc., has been announced by President Nathan M. Pusey of Harvard, Fund chairman. The Rev. Mr. Rooks, associate director for seven years, succeeds the Rev. Walter D. Wagoner, who goes to Berkeley, Calif., to become associate dean of the Graduate Theological Union.

News Of The CHURCHES

CREATING A CLIMATE For Church Growth.

"The ministry soars on the two wings of study and worship, and if either the nerve of inquiry or the nerve of reverence is crippled or permitted to die of undernourishment, a ministry becomes an earthbound affair that excites no one."

—The Fund For Theological Education, Inc.
The Rev. C. Shelby Rooks, 42, newly-appointed executive director of the Fund for Theological Education, spoke the other day of the needs of the clergy, nerve-center of the on-going Church.

"We are trying to create a climate of openness," he said in his office at 163 Nassau Street. "Some of my generation have grown up with negative feelings toward the ministry. This is most pronounced on Negro programs where many are bitterly hostile to the Church. One of the problems is the lack of communication."

He said that today the clergy are, educationally, in double jeopardy, that churches have been remiss in providing plans for the continuing education of the ministry.

Referring to a Fund brochure on need-oriented programs of study available to the Protestant clergy, he pointed out, "The fact is that no profession is more besieged by demands for leadership than is the ministry; from children, from adult study groups, from those with personal problems, from those who expect a fine sermon, from communities which look to the pastor for civic leadership."

"For the sake of the Gospel, all concerned must support the ministers in their desire to avail themselves of every reasonable educational opportunity."

The Challenge. The Fund makes a two-pronged thrust in behalf of the ministry: continuing education to meet the challenge put forth by today's congregations and the recruitment of outstanding young

men for the ministry. Headed by President Nathan M. Pusey of Harvard, the Fund directors include the Rev. Dr. Henry P. Van Dusen and the Rev. James I. McCord of Princeton. The Rev. Mr. Rooks is a minister of the United Church of Christ, and chairman of the denomination's Central Atlantic Conference which begins this summer a program of \$200 grants for summer study. "A minister could make meaningful use of his summer."

He continues, "Ninety-nine percent of the churches don't consider this a part of a budget. Most church budgets make no allowances for a sabbatical leave for their minister every seven years or so. If the church put aside a small amount, several hundred dollars each year towards this, it could be done."

An associate director of the Fund for Theological Education, he has worked with the Rev. Walter D. Wagoner on these problems for seven years. "We sense the need for a structural program. It is difficult for a clergyman to get a sabbatical leave. And what is a meaningful length of time for study? What about his family responsibilities? Selection is another problem. What is the basis?"

"We've been seeking the answers in conversations with ministers, seminary officials, a large number of people." The Fund has compiled a 53-page brochure, "Study Opportunities For Ministers — March 1967 March 1968" listing programs of five days or more. "What I am talking about is a program that is not degree-oriented, but need oriented."

Try-out. Since 1954-55, the Fund has offered fellowships to college graduates as an all-expense paid experimental year at a theological seminary. According to the Rev. Mr. Rooks, a total of 744 young men have taken part, including 70 during the past year.

"We think the program has been successful, attracting a high quality leadership to the Church. About 65% go on beyond the one year; two out of five wind up in the parish, and one out of five enters one of the other forms of ministry."

"The other three we don't think there's any waste in the program at all. The year has contributed some dimension to the work they are going to do."

"The seminary curriculum is not often geared to the kind of faith-and-doubt questions our young men have. The curriculum is based on the assumption that the student is already committed to the ministry."

He noted that the Fund will start this fall a "modest reaching out to the college faculties" through one-day or weekend conferences between sociologists, historians, scientists and the theological faculty of a nearby seminary, "so that the college faculty becomes more alert to what the actual issues in theology are." He is hopeful that these discussions will create an attitude of openness to the ministry when students discuss careers.

The newly-ordained minister is also very much the concern of the Fund planners. "The seminary curriculum today is largely intellectual — theology. The practical side — the translation of theory into the actual — is not generally done. The young minister finds he doesn't have the tools he needs. A good many become frustrated and leave the Church."

"We feel there might be merit in bringing men back to the Seminary and relate experiences to study. Maybe he can develop the tools he needs. Or maybe he should specialize or study at a university dealing with urban needs. This would

VISITOR FROM BRAZIL: Agnelo Cardinal Rossi (left), Archbishop of Sao Paulo, Brazil, was the guest of the Rev. Dr. and Mrs. Samuel S. Rizzo in Princeton last week. Cardinal Rossi, head of one of the largest Roman Catholic parishes in the world, is a close friend of Dr. Rizzo's brother, Miguel, former moderator of the Presbyterian Church of Brazil. Dr. Rizzo is pastor of Rosedale Chapel.

have an effect upon seminary teaching. It would be a particularly good program if he went to a seminary with university connections."

The Rev. Mr. Rooks, a native of Beaufort, N. C. and the son of a clergyman, is a graduate of Booker T. Washington High School in Norfolk, Va., Virginia State College with an A.B. in history (1949) and of Union Theological Seminary, New York. He was an army staff sergeant, serving at Guadalcanal and Cebu, The Philippines, from 1943 to 1946.

He was ordained at the Norfolk, Va., First Baptist Church in 1951, and held pastorates at Shanks Village Protestant Church, Orangeburg, N.Y., and Lincoln Memorial Congregational Temple, Washington, D. C., before joining the Fund for Theological Education in 1960.

"The Office of Economic Opportunity is siphoning off a good many young ministers today," he noted. "The opportunities and salaries are very tempting. There's a vast concern on the part of young ministers on the ministering to society."

"Congregations are reluctant to raise salaries for the ministry to meet this. They say, 'Then he will be making more than I do.'"

PRIESTS BEING POLLED

On Celibacy. Roman Catholic priests of the Trenton diocese are being polled on whether they favor dropping the obligatory celibacy requirement for admission to the priesthood.

The poll was organized by the Metropolitan Coordinating Committee, an affiliate of the National Association for Pastoral Renewal formed last November, and includes three other New Jersey dioceses and the dioceses of New York and Connecticut.

These areas were chosen, according to The Rev. Robert T. Francoeur, Fairleigh Dickinson biologist, on the grounds that the 7,000 priests would provide cross-section of pastors, assistants, chancery officials, seminary professors and urban and rural-based priests. Fr. Francoeur is executive secretary of the national association.

He said, "What we are attempting to do is find out exactly how the priests in the United States feel about this question. Responses from our national survey, which began in November, and is still going on, indicate that it is a serious problem."

A national symposium on celibacy will be held in September by the National Association for Pastoral Renewal.

WSSC PLANS PICNIC

On June 8. The annual picnic of the Women's Society of Christian Service of the Princeton Methodist Church will be held at 6 p.m. next Thursday, June 8, at the parsonage, 173 Laurel Circle.

Mrs. Harvey Hook, president, will conduct a brief business meeting and present the year-end report. Members are asked to bring a complete table service for one, a picnic supper, sweater and table.

SUMMER SCHEDULE SET

By Friends' Meeting. Meeting for worship changes to 10 a.m. this Sunday for members of the Religious Society of Friends.

The summer schedule will be in effect until Labor Day.

YOUTH TO LEAD WORSHIP

At Rosedale Chapel. Lessons from the New Testament will be presented this Sunday at 11 by members of the church school at Rosedale Chapel. Mrs. Earl Tanner, Sunday School superintendent, is in charge.

"The Gospels and the Early Church" is the topic of the discussion by the Senior High group and their instructor, Edward Faroe. "Problems of Christians — Then and Now" is the subject of the Junior and Senior High classes, led by Miss Annabelle Hawke and Mrs. Raymond Stone.

Students taking part include Lee Anderson, Barbara Anderson, Jed Faroe, Charles Faroe, Janet Lowthian, John Spitzhoff, Frederick Spitzhoff Jr., Suzanne Cheeseman, Pamela Cheeseman, Linda Stone, Lori Faroe and Fred Wernefels. Usch will be Robert and Thomas Lowthian.

A knarled and twisted evergreen makes
a perfect feature for the rock garden.
Some will creep and crawl over rocks.
Others are compact growers and form
miniature trees that keep in scale with
your other plantings. One of the most
interesting, the Bristlecone pine, out-
dates the giant redwoods of California
and in seven years may reach a height
of two feet. Included in our selection of
rock garden gems are the following:

**Funny, you don't look like
a 4-cycle, 1498 cc, 73 hp,
overhead valve V-4.**

But you still think SAAB has only one kind of engine. Our famous 2-cycle, 3-cylinder "Shrike" engine. Well don't bet on it. Because SAAB now has a new V-4 engine, too. Zero to 50 in 10 seconds. Top speeds of over 90 mph. More power for acceleration. For hills. For safer passing. (And V-4 SAABs have front wheel disc brakes, for stopping all that power.) Funny thing, but it looks like this new high-performance V-4 should make the rally-winning car in the world an even bigger winner. (That's something you can bet on.)

TV REPAIR

AT YOUR SERVICE

The GREATEST... BEST
FASTEST... How
many times have you seen
and heard these words in
ad selling service... we
admit, we've used them
ourselves. But we have
found that you can't sell a
service with superlatives!
We simply say that we
think our TV Repair Service
is merely better than
adequate... It's only
GOOD.

We have trained, com-
petent technicians with
years of experience in their
profession to back that
statement.

And most of all, we have
many satisfied customers
... which is, after all, our
ultimate goal!

Do us a service... call

PHONE: 609-921-7784

A CLASSIC: Through the years nothing has remained more popular than the traditional two story Colonial. This three-year-old of spanking white cedar shakes on a quiet Township circle will be no exception. Lushly carpeted entrance hall and living room with fireplace. Formal dining room. Well equipped kitchen with breakfast area. Laundry-mud room, powder room and sunny playroom overlooking the back yard complete the ground floor. Upslairs, 4 bedrooms and 2 baths. Many windowed cellar with 8' ceiling could be converted for teenage activities. Air conditioned. Dogwood dotted half acre in Riverside. \$59,500

SMALL, OLD AND INTERESTING: Built over 100 years ago, and attractively remodelled and expanded in the early 1960's, this appealing little house now contains a large entrance hall, sunken living room with fireplace, beamed ceiling and flagstone floor, separate dining room and sunny kitchen with 3 exposures. 3 bedrooms and bath. Secluded terrace. Fenced grounds with many trees. A village setting in nearby Blawenburg. Price includes a saleable extra lot of 1/2 acre. \$27,500

GLASS-WALLED CONTEMPORARY: with its sunny pebbled courtyard, flagstone terraces and shimmering pool makes a most inviting picture in a one acre wild garden punctuated with ancient trees. All on one floor, there's a stone paved entrance hall, large living room with fireplace and high, beamed ceiling, dining 'ell, deluxe, modern kitchen opens to the most comfortable family room. 3 bedrooms and 2 baths. Air-conditioned. Two car garage. Perfect for a luxurious retirement. \$65,000

DOWN WITH TOGETHERNESS! A little apartment is what an active young family often craves, and a well designed house on more than two levels can be the way to accomplish it. We have just listed such a house in an attractive country location just a few minutes from town. On the entrance level, there's a very respectable foyer, flanked by kitchen and large dining room. Up a few steps to the living room with its fireplace and cathedral ceiling and to the study. Down a few, to the laundry and playroom. To make family privacy complete, a beautiful master bedroom suite occupies a separate wing from the other 3 bedrooms and bath. Sundek. 2 car attached garage. The most interesting house we can offer at \$36,500

GROUND FOR ENTHUSIASM: Now, while the lilacs are still in bloom, this always pretty wooded lot is really dreamy; just the background for a comfortable, unpretentious 3 bedroom home. Flagstone floored entry opens to large living room. Dining room has glass door to a covered dining terrace. Modern kitchen, paneled den and lavatory. 2 full baths. Garage. Carpeting and central air conditioning. \$48,000

PRINCETON TOWNSHIP BUILDING LOT: \$10,500 No, that price is not a typographical error. The lot in question is very small (50 x 160) but admirably located on an attractive, well established in-town street. All public utilities. Walking distance to school kindergarten through high. One of a kind.

ARE YOU SEARCHING..... FOR A DISTINCTIVE HOME?

For an investment in excellent design that is quality-built in a prestige location for generations of elegant living?

We have just completed a traditional colonial residence, custom designed by a leading Architect for our property on Blue Spruce Drive, Elm Ridge Park, S.W.

Panoramic views of the nearby lake, woods and surrounding hills may be seen from every window.

Interesting features abound! The Study with its beaded paneling and well beamed ceiling, paneled fireplace wall with built-ins and french doors leading to a spacious screened porch; and the modern Kitchen with massive custom-banded cooking center combine to offer the buyer a truly unique and gracious home.

Individual room privacy and smooth traffic flow are guaranteed by spacious hallways.

Expandability has been a keynote of the design. The house is presently offered with 8 large well-proportioned rooms; 2 1/2 ceramic tiled bathrooms with vanities (and plumbing for another!); a combination laundry-mud room with built-in tub and cabinets; 12 large closets (one cedar-lined); oversized 2-car garage; a large walk-around attic; dry cellar storage; and landscaping. There is provision for air conditioning and a wing which may be added now or later to include 2 additional large rooms.

Conservatively priced at \$59,500. Call now for complete details!
